August 1, 2018

Dear Customer,

As we strive to expand our services, we are excited to announce that on Wednesday August 1st, 2018 the Livingston County Clerk & Recorder's Office started offering an external Land Records search program called Laredo. The Laredo Program will provide searchers the ability to access Land Record Documents from the convenience of their home or office. As we move forward, I wanted to take a moment and further explain how these changes may impact our searching community.

Laredo is a subscription based program in which you will have the opportunity to choose a plan that will best fit your business needs. Interested users will need to complete a Laredo Agreement that is attached within or can also be accessed from our county website at <http://www.livingstoncounty-il.org/wordpress/county-services/county-clerk/>. Please return all completed Laredo Agreements via email to Barb Anderson at banderson@livingstoncountyiil.gov or to me at kmasching@livingstoncountyiil.gov. Please note that no money is due at the time of setup as users will be billed monthly for the previous month services.

In an effort to assist you in learning the Laredo Program, Fidlar Technologies will be on-site conducting a **Laredo "lunch and learn" training session on Tuesday, August 14, from 11:00-12:30 p.m.** (lunch will be provided) in the Committee Room on the second floor of the Livingston County Historic Courthouse at 112 W. Madison Street, Pontiac. Please contact us at the Livingston County Clerk and Recorder's office (815-844-2006) or by email to sign up for training. We look forward to seeing you there!

Sincerely,

Livingston County Clerk & Recorder
