2010-2011 Board Goals (New/Carry-Over in Blue)

Goal 1 Academic Performance/Discipline/Students

- a) Target K-6 reading at 85% (“Meets” + “Exceeds”)
- b) Target all tested ISAT and PSAE areas at 80% (“Meets” + “Exceeds”)
 - i. Explore strategies to encourage the maximum effort of all tested students
- c) Achieve, minimally, “Adequate Yearly Progress” designation in all tested/demographic areas
 - i. Continue to develop and refine programs to enhance reading skills and the ISAT/PSAE/ACT performance of IEP, economically disadvantaged, and minority students
 - ii. **Develop a specific and detailed plan for Prairie Central High School to achieve adequate yearly progress (which may include, but not be limited to, PSAE/ACT preparation and remedial required courses)**
- d) Through such inventions as Response to Intervention (RtI), reduce special education placements
- e) Strive to achieve equity of services in parallel attendance centers
- f) **Consider “attendance centers” for purposes of efficiency, balance, and equity**
- g) Reduce chronic truancy/improve attendance rate/communicate attendance issues to parents
 - i. Improve attendance rate by 2-3% in grades K-8 and 5% in grades 9-12
- h) **Conduct summary evaluation of PCHS’s Block-4 schedule (study, report results to curriculum council and board in September, 2010)**
- i) Reduce the number of drop-outs
- j) Reduce the number of home-school applications
- k) Continue to refine portfolio system for assessment
- l) Continue to promote advanced placement, dual credit, virtual high school, and distance learning at PCHS
- m) Utilize/expand the services of Parkland Junior College and Heartland Community College
- n) Reduce disciplinary incidents on buses
- o) Reduce the number of alternative school applications
 - i. Of those who are enrolled, increase the percentage of alternative school students who graduate, earn GED’s, or remain in the program to 75
- p) Continue the endeavor to return students to LEA schools from out-of-district placements when appropriate
- q) Consider alternatives to current extra-curricular training rules
 - i. **Review random drug-testing program at PCJHS and PCHS**
- r) Continue to execute technology implementation schedule
 - i. Expand STI-Home to include K-4 information, and homework information for all grades
 - ii. **Provide remote e-mail, STI, and, ultimately, desk-top access for teachers comprehensive access and resources for professional staff**
- s) Train staff in teaching the low-achieving, at-risk student
- t) Continue to foster collaboration through department/grade instructional level meetings
 - i. Articulate curriculum K-12 horizontally and vertically
- u) Examine student readiness for college mathematics through discussions of curriculum articulation, teaching material upgrades, and staff development
- v) Endeavor to develop in students a sense of ambition and exploration beyond the K-12 experience

Goal 2 Finance

- a) Continue long-term financial projections
- b) Determine staffing needs by February
- c) Continue to seek means to increase efficiency
- d) Prepare a budget reduction plan (schedule) for post-incentive era
- e) Monitor tax rate and its impact on citizenry
- f) Monitor assessed value and its impact on district revenues
- g) Keep legislators informed of local issues of school finance
- h) Keep staff informed of local issues of school finance
- i) Obtain competitive grants whenever possible
- j) Analyze enrollment patterns and make enrollment projections
- k) Formulate a plan to reduce staff commensurately with declining enrollment and loss of revenue**
- l) Consider “attendance centers” for purposes of efficiency, balance, and equity**
- m) Continue to negotiate collective bargaining agreements that provide employees appropriate wages, hours, and working conditions, yet take into account the district’s financial status
- n) Continue to examine ways and means to reduce cost and increase efficiency in custodial and maintenance services (OBM fund)
- o) Prepare for conversion of retiring GO bond rates to operating funds and a life-safety bond**
- p) Prepare a “cut” list for the 2011-12 and 2012-13 school term, amounting to roughly \$2 – \$2.5 Million, in response to reduced general state aid and categorical reimbursement loses (Illinois’ financial crisis)**

Goal 3 Facilities/Transportation

- a) Maintain budget program for maintenance projects and bus replacement
- b) Continue joint agreements with Boys and Girls Club, Head Start, Parkland/Heartland
- c) Review options in disposing of the former Chenoa Grade School
- d) Continue to assess technology infrastructure and maintenance needs at all sites
- e) Work toward optimal use of grounds at PCHS and PCJHS
- f) Continue to study the advantages/disadvantages of leasing equipment
- g) Review parking issues, particularly at PCHS and the UE, in terms of space and surface
- h) Consider the issue of air-conditioning
- i) Consider “attendance centers” for purposes of efficiency, balance, and equity**
- j) Recruit new bus drivers
- k) In light of declining enrollment, develop a plan for the reduction of facilities and consolidation of students (building closure, attendance centers)**
- l) Prepare list of life-safety projects for 3-r above, with emphasis on roof systems, boiler burners, and outdoor athletic facilities (PCHS football bleachers, track)**
- m) Alter maintenance assistant job description to include the performance of standard bus maintenance**

Goal 4 Communication/Organization

- a) Continue providing monthly district newsletter, calendar of events, and menu
 - i. Convert district newsletter from hard-copy to on-line version**
- b) Utilize technology for communication with parents
- c) Continue to seek ways and means to more efficiently and effectively communicate with staff (i.e. posting of available jobs, payroll/insurance changes, use of web page)
- d) Continue to seek ways and means to more efficiently and effectively communicate with board members (i.e. personnel issues, matters which place board members in awkward positions), bearing in mind new legislation regarding the Open Meetings Act
- e) Seek appropriate channels to effectively communicate the school’s needs to legislators
- f) Continue effective parenting workshops
- g) Survey parents on general effectiveness of school district
- h) Continue 5-year graduate surveys and share results with the Board
- i) Continue, and enhance, volunteer program

- j) Communicate with clubs and organizations in the communities
- k) Revamp approach to student registration (including but not limited to “one-site” registration, use of credit cards, on-line registration)
- l) Explore reorganization possibilities**
- m) Explore more effective ways and means to review and update school board policy manual
- n) Communicate to internal and external populations the need for downsizing in staff and facilities and the need for bond conversion**

Goal 5 Personnel

- a) Train staff in teaching the low-income, at-risk student
- b) Foster collaboration by establishing means to routinely assess curriculum effectiveness at department/grade instructional level
- c) Continue to seek ways and means to foster staff morale
- d) Formalize teacher mentoring program

Goal 6 Adult Education

- a) Provide parent time for Discover
- b) Provide adult classes for GED and computers

Goal 7 Community

- a) Continue relationships with local businesses – i.e. job shadowing, ICE, SUE, vocational field trips, building construction fair, health fair, Upper Elementary and Junior High career days, and Upper Elementary business partnerships, with an eye on developing in students a sense of ambition and exploration beyond the K-12 experience
- b) Add local scholarships and review distribution
- c) Improve relations regarding Homecoming and other school issues
- d) Work with other taxing bodies on funding and other issues of mutual concern
- e) Seek support, both financial and moral, from community members and local businesses for drug/alcohol education programs and security enhancement
- f) Work with city councils and other community organizations to foster growth (industry, housing developments)**
- g) Prepare a district pamphlet with the purpose of extolling the virtues of Prairie Central schools and attracting families with school-aged children to the communities
- h) Communicate to internal and external populations the need for downsizing in staff and facilities and the need for bond conversion**
