9 **Frugality** is a charitable thrift shop in which thousands of items are 99 cents each and all profits are donated to local charities. The idea of Frugality was born mainly because Once 'n Again was overwhelmed with great gently used items that were flawed in some small way or just didn't sell in their allotted time. We wanted to offer a place for our consignors to donate items that Once 'n Again could not sell. Since the items were given to us, we wanted to give the profits to local charities. Store Hours: Friday 10am-8pm and Saturday 10am-6pm. For more information visit www.onceagain.com/frugality.html
