Motion by Weber, second by Lovell to recommend full board approval of the county board action items. MOTION CARRIED WITH ALL AYES.

**OTHER ITEMS:** Ruestman shared with the committee the status of cash flow of the County Aid to Bridge (CAB) fund with currently scheduled projects. Ruestman explained that the CAB fund is funded by property taxes that are dispersed to the Highway Department in 3 different distributions throughout the year with the first one not starting until August. The construction season typically runs from May 1<sup>st</sup> to November 31<sup>st</sup>, with a majority of the work being done earlier in the year. This puts a strain on the CAB fund if there is not enough of a balance going into the following year due to the tax distributions not starting until August. The cash flow was projected out over the Fiscal Year 2021 showing a slight increase in the balance, but not enough to be able to fund an emergency repair or replacement in any given year. Ruestman explained to the Committee that more funding would be required in order for the Highway Department to continue to keep structures, on lower traveled roads, open to traffic. Hartley described to the committee various types of funding that could be considered in order to increase the CAB budget.

**PUBLIC COMMENT:** None

**REVIEW AND APPROVAL OF CLAIMS:** Motion by Weber, second by Carley to approve the bills. MOTION CARRIED WITH ALL AYES.

There being no further business to come before the committee, motion to adjourn the meeting by Lovell, second by Runyon. MOTION CARRIED WITH ALL AYES. Meeting adjourned at 4:27 pm.
