Livingston County Clerk & Recorder, Kristy Masching

Dear Friends,

This booklet briefly describes the various departments within the Livingston County government. It also includes a listing of the state and national officials who represent the citizens of Livingston County, as well as the elected and appointed officials of the local units of government. You are encouraged to check the county's website, at www.livingstoncountyil.gov for additional information and updates to the information listed in the Yearbook.

Thank you for allowing me the privilege and honor of serving as your County Clerk and Recorder.

Sincerely,

Kristy A. Masching

Livingston County, located in the northeast quarter of Illinois, is about 92 miles southwest of Chicago, midway between Chicago and Springfield. It consists of 1,043 square miles in area and is fourth in size in the state. The county was organized on February 27, 1837, from parts of McLean, LaSalle, and Iroquois counties. The only county seat, at Pontiac, was incorporated in 1856 by an act of the State Legislature. Township Government was adopted in 1858. Pontiac is located on the Vermilion River.

**HISTORY OF THE LIVINGSTON COUNTY COURTHOUSE
COMPILED BY ARNOLD NATZKE & STANLEY WEBER
FOR RE-DEDICATION ON OCTOBER 13, 2002**

1837: February 27 – Livingston County was established as the 66th of what would become 102 Illinois counties.

1841: July 23 – The first courthouse, a 30 x 22 two story frame building was completed at a cost of \$800.

1856: The second courthouse, a two story brick structure, was completed at a cost of \$14,000.

1874: July 4 – The courthouse, along with the Union Block to the south, was destroyed by fire.

1875: November 4 – The third and present courthouse was completed and accepted by the County Board. The county contracted the construction of the building for a cost of \$75,000. Actual cost was \$90,000 and, as a result, the Contractor filed for bankruptcy.

1885: Plumbing and sewage pipes were installed.

1891: Steam heat boilers were installed. The courthouse was then wired for electricity and the tower was lit on May 8th. It could be seen from Fairbury.

1892: The hand-wound clocks were placed on all four sides of the tower.

1903: June 3 – The Soldiers' and Sailors' monument on the northeast corner of the courthouse block was dedicated by then President of the United States, Theodore Roosevelt.

1936: Two additions were added on the east side of the courthouse, and one on the west side. The additions were built by the Works Project Administration of the Federal Government, commonly known as the W.P.A.

1961: The courthouse was painted in colors of yellow, maroon and white rather than battleship gray.

1976: The second floor of the courthouse was remodeled into three courtrooms rather than the original one large courtroom. In addition, the elevator was added at this time.

1983: A Hollywood movie, "Grandview U.S.A.," was made in Pontiac, featuring the courthouse.

1986: The courthouse was named to the National Register of Historic Places.

2001: A 1-½ year project was undertaken to restore the exterior, including the removal of 25 layers of paint, and some internal repairs to improve safety in the tower area. Extensive restoration to the building included the repair of a bullet hole in the overhand, which was put there by a former Sheriff to allow water to drain until repairs could be made. Weber Metal Products and Allen Meister took on the daunting task of repairing the clock to synchronize all four sides. All work was planned with the goal of restoring the building as close as possible to its original appearance, with the use of long lasting, energy efficient materials. The project was completed at a cost of slightly over \$2,000,000, with \$500,000 awarded to the county from Illinois First funds. A complete report on the project is filed with the County Clerk's Office.

2002: October 13 – In celebration of completion of the exterior renovation, a re-dedication of the courthouse was held featuring state and local dignitaries, the Pontiac Municipal Band, and members of local high school bands.

**ORDINANCE AMENDING ORDINANCE NO. 2001-01
REAPPORTIONING LIVINGSTON COUNTY BOARD
ORDINANCE NO. 2011-06-33**

BE IT RESOLVED by the County Board of Livingston County, Illinois ("County Board"), that the following changes be made in Ordinance No. 2001-01 Reapportioning Livingston County with regard to the election of members of the County Board, the county having less than three million inhabitants and a township form of government, to wit:

1. Effective July 1, 2011, the County Board shall consist of twenty-four (24) members, eight (8) each to be elected from three (3) County Board Districts as described below and the voters in these districts shall not have cumulative voting rights.
2. The three (3) County Board Districts are substantially equal in population, are comprised of contiguous territory, have been created so as not to divide any townships municipalities or precincts and are described as follows:
 - a) District One-all of all of Rooks Creek and Pontiac Township.
 - b) District Two-all of Reading, Newtown, Sunbury, Nevada, Dwight, Round Grove, Long Point, Amity, Esmen, Odell, Union, Broughton and Owego Townships.
 - c) District Three-all of Nebraska, Waldo, Pike, Eppards Point, Saunemin, Sullivan, Avoca, Pleasant Ridge, Charlotte, Indian Grove, Forrest, Chatsworth, Belle Prairie, Fayette and Germanville Townships.
3. The chairman of said County Board shall be elected by the members of the County Board for a two year term commencing the first Monday in December, 2012, and each succeeding chairman of the Board shall serve a two year term and be elected in the same manner. If a vacancy in the office of Chairman of the County Board should occur, the members of the County Board shall elect one of the members to serve for the balance of the unexpired term of the previous Chairman.
4. The salary of the members of the County Board shall be computed on a per diem basis of forty-five dollars (\$45.00) per day. In addition, the Chairman of the County Board shall receive an additional per diem of thirty-five dollars (\$35.00) per day, or a total of eighty dollars (\$80.00) per diem.
5. Because the County Board will be elected from multi-member districts, the members elected in November of 2012, shall divide each of the three (3) County Board Districts publically by lot into two (2) equal groups. County Board members or their successors from one group shall be elected for successive terms of two (2) years, four (4) years and four (4) years, and members or their successors from the second group shall be elected for successive terms of (4) years, four (4) years and two (2) years. All terms shall commence on the first Monday of the month following the month of the election. This division shall be done in such manner that the terms of four (4) members from each County Board District shall expire every two (2) years.
6. If a vacancy on said Board occurs, said vacancy shall be filled by appointment by the remaining members of said Board within sixty (60) days thereafter, said appointment to be effective until the next election of County Board members, at which time an election shall be held to fill said vacancy for the unexpired term.
7. If any provision or clause of this Ordinance or application thereof to any person or circumstance is held to be invalid, said invalidity shall not affect other provisions, clauses or applications of the Ordinance which can be given effect without the invalid provisions, clause or application and to this end, the provisions and clauses of the Ordinance are declared to be severable.

PASSED BY A ROLL CALL VOTE THIS 16th DAY OF JUNE, 2011
William Fairfield, Chairman

ANNUAL TOWN MEETING

Second Tuesday in April

POLLS OPEN: 6:00 A.M. TO 7:00 P.M.

QUALIFICATIONS OF VOTERS: All men and women citizens of the United States, above the age of 18 years, or who will be 18 by the date of the next General Election, having resided in the election district 30 days next preceding an election therein, are entitled to register and to vote in said district.

EVERY VOTER MUST BE REGISTERED: Every voter must be registered in order to vote at an election. Any qualified person may register at the office of Kristy A. Masching, County Clerk, any day during office hours, with the exception of the 28 days preceding and the first day immediately following any election. Local registrars are available throughout the county. To find out the name of one near you contact the County Clerk’s Office at 844-2006. New legislation now allows Illinois residents to register by completing the Online Voter Registration application. The form may be found at the State Board of Elections website: www.elections.il.gov, or through the official county website: www.livingstoncountyl.gov (select County Services; County Clerk; and then click on Elections and choose the Illinois Online Voter Application link).

CHANGE OF ADDRESS: Voters who have moved within Livingston County must notify the County Clerk’s Office of any change of address, even from one apartment to another at the same street address. This can be done by filling out the reverse side of the voter registration card and returning it to the County Clerk, or by letter listing the old and new addresses. Both card and letter must bear the voter’s signature.

CHANGE OF NAME: A change of name for a voter requires a new registration card and can be done only at the County Clerk’s Office or with a deputy registrar.

**COMMUNICATING WITH YOUR LEGISLATORS
Do's & Don'ts**

- Don't** write on a postcard.
- Don't** sign and send a form letter.
- Don't** begin with "as a citizen and taxpayer." They know that.
- Don't** apologize for taking their time. They need to know the opinions of their constituents.
- Don't** be rude or threatening.
- Don't** be vague.
- Don't** send a carbon copy to other legislators; write to each one individually.
- Don't** write to a member of the House about a bill in the Senate and vice versa. Bills can change dramatically by the time they get from one chamber to the other.
- Do** provide specific reference to the particular bill, including the bill number and subject matter.
- Do** keep your letter short, concise and to the point.
- Do** state how the bill would affect you and your community. Legislators need this type of information from the public to know the impact of legislation in their districts.
- Do** sign your name and provide an address and phone number in case the legislator would want to contact you.
