

Livingston County Personnel Policy Manual

Adopted October 12, 2023

ABOUT THIS POLICY MANUAL/DISCLAIMER

The Policy Manual is not intended to create a contract of employment and is not an offer to enter into a contract. These policies do not establish contractual rights or employment or any employment benefit and are not to be construed to constitute contractual obligations of any kind, or a contract of employment between Livingston County ("County") and any employee. Rather, these policies are intended to describe the County's present policies and procedures, employee benefits, and general guidelines. Livingston County adheres to the policy of employment at-will, which permits the County or the employee to end the employment relationship at any time, for any reason, with or without cause or notice.

Neither this handbook nor any other verbal or written communication by a management representative is, nor should it be considered to be, an agreement, contract of employment, express or implied, or a promise of treatment in any particular manner in any given situation, nor does it confer any contractual rights whatsoever. No County representative other than the Livingston County Board may modify at-wills status and/or provide any special arrangement concerning the terms or conditions of employment in an individual case or generally and any such modification must be in a signed writing.

Federal, state, or local laws or regulations shall supersede these stated policies, until corrections can be published, in the following instances:

1. If any of the policies are or become in conflict with applicable federal, state, or local laws or regulations;
2. If any omissions or inclusions cause conflict with applicable federal, state, or local laws or regulations; and
3. If typographical or printer error should cause conflict with applicable federal, state, or local laws or regulations.

Should there be any questions as to the interpretation of the policies or benefits listed in this Policy Manual, the final explanation and resolution will be at the sole and absolute discretion of the County Board, subject to applicable federal, state, and local laws.

The policies in this Handbook have been developed at the discretion of the County and the County retains the right to modify, eliminate, amend, or cancel any of its published or unpublished policies for any reason, with or without advance notice, at its sole discretion without having to give justification.

These policies replace all previous policies and practices and may not be changed or added to without the express written approval of the Livingston County Board. Questions about these policies should be directed to Human Resources.

This handbook is subject to the terms of any applicable collective bargaining agreement.

INTRODUCTION

The policies outlined in this Personnel Policy Manual are in effect for all employees of the County. However, employees represented by labor unions will be governed by the policies set forth in their collective bargaining agreements to the extent such policies differ from policies outlined in this Manual.

This Policy Manual is designed to acquaint employees with Livingston County and provide information about working conditions, employee benefits and policies affecting employment. Employees are responsible for reading, understanding, and complying with all provisions of the Policy Manual. It describes many of the responsibilities of an employee and outlines the programs developed by the County to benefit employees. One of the objectives is to provide a work environment that is conducive to both personal and professional growth.

The Policy Manual cannot anticipate every circumstance or question about policy. As times change or as situations arise that are not addressed in the Policy Manual, the need may arise to change policies described in the Policy Manual. The County therefore reserves the right to revise, supplement, deviate from or rescind any policies or portion of the Policy Manual from time to time as it deems appropriate, in its sole and absolute discretion, with or without notice to employees.

Accordingly, the right to terminate the employment relationship, at will, is retained by both the employee and the County.

CHAPTER TWO - RECRUITMENT, HIRING AND INTRODUCTORY PERIOD

2-1 EQUAL EMPLOYMENT OPPORTUNITY

The County is an Equal Opportunity Employer that does not discriminate on the basis of actual or perceived race, color, creed, religion, sex or gender (including pregnancy, childbirth, pregnancy-related conditions, and lactation), sexual orientation, gender identity or expression (including transgender status), age, national origin, citizenship status, physical or mental disability, genetic information, ancestry, marital status, and protected military or veteran status, national origin, or any other characteristic protected by federal, state, or local laws and ordinances.

The County's Equal Employment Opportunity policy covers all employment practices, including recruitment, placement, hiring, benefits, promotions, discipline, training, transfer, employee activities, access to facilities and programs, termination, and general treatment during employment. Employees with questions or concerns should contact Human Resources.

Any employee with questions or concerns about Equal Employment Opportunities in the workplace are encouraged to bring these issues to the attention of Human Resources. The County will not allow any form of retaliation against any individual who raises issues pertaining to this policy. If an employee feels they have been subjected to any such retaliation, they should contact Human Resources. To ensure our workplace is free of artificial barriers, any violations of this policy including any improper retaliatory conduct will lead to discipline, up to and including termination. All employees must cooperate with all investigations conducted pursuant to this policy.

2-2 INTRODUCTORY PERIOD

2-2.1 Duration - Each Employee hired, transferred, or promoted to fill a position must successfully complete an introductory period of twelve (12) months. The Officer or designee will generally conduct several informal meetings to orient the new Employee to the position. Upon successful completion of the introductory period, the Employee will be considered a regular employee, although this designation is solely for administrative purposes and does not affect the nature of the at-will relationship. An Officer may extend the introductory period up to an additional six months, if the Employee's performance is not satisfactory at the end of the initial introductory period. Further, any significant absence may extend the Introductory Period by the length of the absence.

Completion of the introductory period does not entitle the employee to remain employed by the County for any definite period. Employment with the County is at-will and the employee or the County may end the employment relationship at any time during or after the introductory period, with or without cause or advance notice.

2-2.2 Evaluation - Employees serving an introductory period may receive a written evaluation quarterly during the twelve (12) month period. The Officer or designee may discuss the evaluation and progress toward satisfactory performance with the Employee. Additional performance evaluations may take place as deemed necessary by the Officer or designee.

2-3 Job Posting

2-3.1 The County provides employees an opportunity to indicate their interest in open positions and transfer positions within the County according to their skills and experience. In general, notices of job openings

are posted on the employee bulletin board and normally remain open internally for five (5) days. Each job posting notice will include the dates of the posting period, job title, department, location, grade level, job summary, and qualifications (required skills and abilities). Employees should only apply for those posted jobs for which they possess the required skills, competencies, and qualifications.

2-3.2 To apply for an open position, employees must submit an application to the Human Resources Department listing job-related skills and accomplishments. It should also describe how their current experience with the County and prior work experience and/or education qualifies them for the position.

2-3.3 An applicant's supervisor may be contacted to verify performance, skills, and other qualifications. Staffing limitations or other circumstances that might affect a prospective transfer may also be discussed.

2-3.4 Job posting is a way to inform employees of openings and to identify qualified and interested applicants who might not otherwise be known to Human Resources. Other recruiting sources are also used to fill open positions.

CHAPTER THREE - PERSONNEL RECORDS

3-1 MAINTENANCE OF PERSONNEL RECORDS

Employee personnel records are confidential and are maintained by Human Resources/Bookkeeping in a secure area. Employee medical records are kept in a separate file. Personnel records will be maintained in accordance with the schedule set forth by the Local Records Commission.

3-2 CONTENTS OF EMPLOYEE RECORDS

Personnel records may contain the following information:

- i. A receipt for information received during orientation;
- ii. All evaluations;
- iii. Letters of reference, commendation, or complaint;
- iv. Applications;
- v. Memos of verbal and written Employee warning records and suspensions;
- vi. Training records;
- vii. Requests for leaves of absence;
- viii. Attendance, sick leave, vacation leave, compensation time, and overtime (if applicable) records;
- ix. Resignation letters; and
- x. Other pertinent job-related information.

3-3 RECORDS OF UNSUCCESSFUL APPLICANTS

A record of each unsuccessful applicant will be retained by Human Resources in accordance with applicable law.

3-4 ACCESS TO EMPLOYEE RECORDS

Access to Employee personnel records will be made in accordance with the Illinois Personnel Record Review Act. Employees may review their files upon written request up to two times per calendar year. Employees are not permitted to remove their personnel file from Human Resources/Bookkeeping. One copy of the Employee's record will be allowed per request, at the Employee's expense.

3-5 CHANGE OF PERSONNEL INFORMATION

It is the responsibility of each employee to promptly notify the County of any changes in personnel data. Personal mailing addresses, telephone numbers, number and names of dependents, individuals to be contacted in the event of an emergency, educational accomplishment, and other such status reports should be accurate and current at all times. If any personnel data has changed, notify Human Resources as soon as possible.

CHAPTER FOUR - PERFORMANCE EVALUATION

4-1 EMPLOYEE EVALUATIONS

An annual evaluation is conducted for each Employee who has completed the introductory period. Evaluations are based upon performance of job duties and other job-related criteria. The County reserves the right to conduct more frequent performance evaluations in its discretion to address performance or misconduct issues.

4-2 APPOINTED OFFICER EVALUATIONS

Officers appointed by the County Board may be evaluated at the end of their introductory period and on an annual basis by the appropriate Board Committee. Evaluations will be reviewed and filed by the Board Personnel Committee. Evaluations are placed in the Officer's personnel file in the Human Resources/Bookkeeping office in a sealed envelope. Evaluations are based upon job descriptions and other job-related criteria. The County reserves the right to conduct more frequent performance evaluations in its discretion to address performance or misconduct issues.

CHAPTER FIVE - RESIGNATION, EXIT INTERVIEWS, LAYOFF

5-1 RESIGNATION, REDUCTION IN FORCE AND TERMINATION OF BENEFITS

Since employment with the County is based on mutual consent, both the employee and the County have the right to terminate employment at will, with or without cause, at any time.

5-1.1 The County requests that a letter of resignation be provided to the Officer at least two (2) weeks before the Employee's last working day. The letter should state the reason for the resignation and the last working day. Supervisory personnel are requested to provide at least four (4) weeks' notice.

5-1.2 The Officer shall notify Human Resources and the County Payroll Department of all resignations immediately. A Termination Notice and Payroll Change Form showing last day to be paid for, vacation days, holidays, compensatory time, etc. must be filed with the County Payroll Department.

5-1.3 Exit interviews are scheduled with Human Resources prior to the last working day.

5-1.4 An Officer in charge of supervising a Department may lay off an Employee in the County whenever it is necessary. Reasons for layoff include, but are not limited to, shortage of funds or work, change in the duties of a position, and elimination of the position.

6-1 PROBLEM SOLVING PROCEDURE

6-1.1 The problem-solving procedure is just what it says - a procedure for solving employee problems which typically occur in the workplace. Employees who have a problem, complaint, or a situation they do not understand, may take the following steps:

Step 1: The employee should discuss the situation with their immediate supervisor or department official as soon as possible. The employee should give the supervisor or department official an opportunity to investigate and then get back to the employee.

Step 2: If the employee is not satisfied with the supervisor's response or feels the problem is not resolved, the employee can present the problem to Human Resources. This should be done in writing and again, as soon as possible. The employee should give Human Resources an opportunity to investigate and get back to the employee in writing.

Step 3: If the employee is still not satisfied that the problem is resolved, the employee can present the problem to the County Board Chair who will appoint personnel hearing officers. As before, this should be done in writing and as soon as possible. The personnel hearing officers, appointed by the County Board Chair, will then investigate and make a decision that will be final.

Employees with concerns or complaints related to harassment should refer to the County's Anti-Harassment Policy and Complaint Procedure.

6-2 DISCIPLINARY ACTION

6-2.1 Employees of the County are required to adhere to certain rules of conduct necessary for the County's operations and courteous and harmonious delivery of business operations and interactions with co-workers. This code of conduct is necessary to establish and maintain an effective and pleasant working atmosphere. Employee conduct that interferes with the effective operation of the County's business is prohibited.

The performance standards listed below and others published from time to time are not all inclusive. Rather, they are published to provide a general understanding of what the County considers to be misconduct for which employees may be disciplined or dismissed. Unacceptable conduct not specifically listed may, nonetheless, result in disciplinary action up to and including termination. Employees who need clarification of a specific issue related to these standards should seek clarification from a supervisor. Violations of any of the following performance standards may result in disciplinary action and/or termination:

- i. Unauthorized use, possession purchase, consumption, transfer, or sale of alcoholic beverages, controlled substances, or illegal drugs during working hours, on work premises, or otherwise while representing the County, or reporting to work under the influence of alcohol, controlled substances or illegal drugs;
- ii. Carrying a firearm or weapon, other than authorized personnel, while on duty;
- iii. Failure to follow a specific order of a supervisor;

- iv. Willful or negligent damage of County property and/or County records, including removal;
- v. Theft or misappropriation of funds, records, or property;
- vi. Fighting, threatening violence, or intimidation by an employee;
- vii. Willful misrepresentation or concealment of fact requested process;
- viii. Violating County policies, rules, regulations, or practices;
- ix. Excessive unexcused absences;
- x. Repeated tardiness;
- xi. Leaving duty prior to the end of the assigned shift;
- xii. Failure to complete duties as assigned in a manner and attitude acceptable to the Employee's Officer;
- xiii. Failure to request leave in an authorized manner or abuse of leave privileges;
- xiv. Discourtesy or disrespect to a member of the public or a County official or fellow Employee which may include the use of loud, aggressive, profane, obscene, abusive, or threatening language/behavior;
- xv. Any safety violation or engaging in any conduct which tends to create a safety hazard or failing to report on the job accidents;
- xvi. Inappropriate behavior, including sexual harassment or other types of illegal harassment;
- xvii. Unauthorized use of telephones;
- xviii. Inappropriate dress; (see Dress Code Policy)
- xix. Abuse of authorized work breaks.
- xx. Use of the employee's position for personal gain, including but not limited to, the acceptance of gratuities offered in the expectation that they will affect or influence the employee in the performance of the employee's duties;
- xxi. Inducing or attempting to induce any employee to commit an illegal act or to act in violation of any lawful and reasonable department or official regulation;
- xxii. Conducting any outside business during working time. In addition, employees may not conduct private business on County property;
- xxiii. Failure or refusal to accept a new job assignment or a change of employment to a department, section, or shift;
- xxiv. Exercising or attempting to exercise any political patronage or influence that might affect the conditions of employment.
- xxv. Being wasteful of material, property, or working time;

- xxvi. Inability to get along with fellow employees so that the work being done is hindered and not up to required levels;
- xxvii. Making derogatory or false accusations so as to discredit other employees or supervisors;
- xxviii. Divulging or misusing confidential information;
- xxix. Conduct on the job that violates common decency or morality of the community;
- xxx. Dishonesty or any act that is incompatible with or reflects discredit upon the County or tends to damage the efficient operation of the public service.
- xxxi. Falsification of records or statements, or deliberately using any type of misleading, inaccurate, or falsified records or statements.
- xxxii. Unauthorized or improper use of telephones, mail systems, electronic communications, or other employer-owned systems and equipment, or any violation of the Electronic Communications policy.
- xxxiii. Smoking in prohibited areas.

6-2.2 Recommended Disciplinary Procedures - These are recommended procedures for Employee discipline. These procedures may be utilized in the absence of a procedure provided by statute (e.g. Court Services Department).

i. Verbal Warning - Verbal warning may be given prior to initiation of disciplinary action and may be noted in the Employee's personnel file as to the time and date of the infraction and the nature of the infraction.

ii. Written Warning - A written warning may be given to the Employee if they continue to have difficulties in the same area. However, the Officer in charge of the Department may give a written warning to an Employee after an oral warning, even if the problem area is different. Finally, a written warning may be given by the Officer in charge of the Department if the violation or infraction is of a serious nature but does not justify dismissal. A copy of this warning may be included in the Employee's personnel file, and each Employee will sign and date a statement that they received the warning.

iii. Suspension - An Officer in charge of a Department may, as a disciplinary action, suspend without pay any Employee. An Employee may appeal their suspension to the County Board Chair who will appoint personnel hearing officers, provided that the request for review is filed with Human Resources within ten (10) working days of the receipt of the written report stating the reasons and duration of the suspension.

iv. An employee may also be suspended with pay pending investigation of allegations of misconduct. Employees may be subject to further discipline, or not, depending on the outcome of the investigation.

v. Dismissal - The most severe violations, or repeated violations for similar conduct, may result in the termination of the Employee by the Officer in charge of the Department. The Officer or designee must prepare a written report of the grounds and the specific reasons for the dismissal and must provide the same to the Employee. A non-introductory Employee may appeal their dismissal to the personnel hearing Officers of the County Board within 10 days of dismissal.

vi. While a system of progressive discipline may be followed, it is not always appropriate that each step be completed before moving to the next level. Discipline may begin at any step, depending upon the severity of the incident. The progressive disciplinary steps and the failure to follow the steps in every situation does not in any way create a contractual right to continued employment. The County reserves the right to use progressive discipline or not, as it deems appropriate in each instance.

CHAPTER SEVEN - WORKING HOURS AND COMPENSATION

7-1 OFFICE HOURS

- 7-1.1 Official Livingston County Office hours shall be from 8:00 a.m. to 4:30 p.m., Monday through Friday, except for those Departments which require twenty-four (24) hour staffing.

7-2 WORKING HOURS

- 7-2.1 Each Employee scheduled to work 7.5 hours or more in a workday will have a meal break during work hours. Meal periods of at least 20 minutes are to be taken no later than 5 hours after beginning work.
- 7-2.2 Work breaks will be scheduled by the Officer or designee.
- 7-2.3 Each employee shall be responsible for the accurate and timely completion of their time sheet/timekeeping system report. Time sheets/timekeeping system reports must be signed by the employee and approved by the department official. Hours worked should not be predicted or projected. Time sheets/timekeeping system reports must reflect actual hours worked, and not personal travel time, unpaid lunchtime, personal errands during work hours, etc. Time sheets/timekeeping system reports must also include paid benefit time, including sick, vacation, holiday, and compensatory time during the pay period.
- 7-2.4 Completion of another employee's time sheet/timekeeping system report or falsification of an employee's own time sheet/timekeeping system report could result in discipline up to and including termination.

7-3 ATTENDANCE POLICY

- 7-3.1 Consistent attendance and punctuality contribute to the success of the County's business operations. Attendance problems disrupt operations, lower productivity, and create a burden for other employees. All employees of the County are expected to assume responsibility for their attendance and promptness. Poor attendance will be reflected in an employee's performance review, and is subject to disciplinary action up to and including termination of employment.
- 7-3.2 Employees who are unable to report to work as scheduled must contact their immediate supervisor at least one (1) hour prior to their starting time or as soon as possible before their starting time. Employees who are absent for two (2) or more consecutive days without calling are considered as having voluntarily quit.

7-4 Emergency Closing

- 7-4.1 Definitions:

Emergency Conditions - Circumstances which necessitate the closing of a County building or the curtailing of operations.

Conditions of a Serious Nature - Circumstances which may prohibit employees from reporting to work but do not necessitate the closure of a building or curtailing of operations.

7-4.2 The County does not advise employees to take unwarranted risks when traveling to work in the event of inclement weather or other emergencies. Each person should exercise their best judgment about road conditions and other safety concerns. If conditions of a serious nature arise before the start of an employee's working hours, the Employee should make reasonable attempts to arrive at their place of employment. If this is not possible and the County Office Building in which an Employee works is not declared closed and the Employee is unable to arrive at work, non-exempt employees may, at the discretion of the Department Official: 1) utilize benefit time such as comp time, vacation, etc.; 2) have a day's pay deducted from their next pay check; 3) make arrangements to work additional hours to compensate for those hours missed.

7-4.3 If emergency conditions arise, the decision to close the Law & Justice Center is the responsibility of the Sheriff. The decision to close the courts is the responsibility of the Chief Judge of the 11th Circuit. The decision to close the Historic Courthouse, Regions Bank Building, and the H&E Building is the responsibility of the County Board Chairperson or designee.

7-4.4 When a county building is closed or operations are curtailed due to emergency conditions, employees whose work is affected by the declaration of the emergency will be granted administrative leave with pay. This is limited to one day's pay, however. If the building(s) remains closed beyond that first day, non-exempt employees may use benefit time, such as comp time, vacation, etc., elect to have a day's pay deducted from their next paycheck or at the Department Official's discretion, make arrangements to work additional hours to compensate for those hours missed.

7-4.5 The provisions of this policy do not apply to employees on sick leave; any other prior approved leave rendering them unavailable to work; or is not scheduled to work that day. FLSA guidelines will be used for exempt employees.

7-4.6 The provisions of this policy are not applicable to the employees in the following departments who are required to work when emergency conditions arise: Highway, Sheriff's Office, Jail, Coroner, and Facility Services.

7-5 PAYCHECKS, PAYCHECK ERRORS AND DEDUCTIONS

7-5.1 Paychecks - Payroll periods end every other Sunday night at 12:00 midnight and payroll periods begin at 12:01 a.m. on Monday morning. Payroll checks are issued the first Friday following the end of a payroll period, and are normally available to be picked up by employees at 8:00 a.m. in bookkeeping. Payroll checks that have not been picked up by the Employee will be mailed after distribution. All deductions from an Employee's gross pay are printed on the stub of each payroll check.

Employees may have their pay directly deposited to their bank account. To do so, employees must fill out a Direct Deposit form (available in Human Resources) and provide the required documentation.

7-5.2 Paycheck Errors - The County takes all reasonable steps to ensure that employees receive the correct amount of pay in each paycheck and that employees are paid promptly on the scheduled payday. The county prohibits improper deductions from employee paychecks. Any paycheck errors should be referred to the Employee's Officer or Human Resources. With the approval

of said Officer, correction will normally be made no later than the following pay period.

7-5.3 Deductions - The following deductions may be made from an Employee's pay in accordance with established benefits, legal requirements and/or Employee option:

- i. Federal and State Income Tax;
- ii. F.I.C.A. (Social Security);
- iii. Medicare;
- iv. I.M.R.F. (Illinois Municipal Retirement Fund);
- v. Employee and Dependent Insurance Coverage;
- vi. Deferred Compensation; and
- vii. Others as requested legally required and/or approved.

7-6 Compensatory Time Off Policy

- 7-6.1 The Board acknowledges that circumstances may arise which, on occasion, require Employees to perform their job duties at times other than scheduled working hours; therefore, the Board hereby states its intention and desire that non-exempt Employees be compensated, as herein after set forth, for such hours worked beyond the scheduled hours in a workweek. Exempt employees are not eligible for overtime and compensatory pay.
- 7-6.2 Prior to the performance of supplemental hours worked by any Employee, the Employee must receive authorization from the appropriate individual/Department Head. Failure to receive authorization in advance of working supplemental hours may result in discipline up to and including termination of employment.
- 7-6.3 Statutory and Other Comp time, with the exception noted below for "Other" comp time, shall be taken by the non-exempt employee as time off unless the employer and employee reach an understanding prior to the hours worked as to the method of payment. "Other" comp time can come into play when an employee's maximum scheduled workweek is fewer than forty (40) hours. During any workweek with a total of 40 hours or more hours worked, "Other" comp time will be paid out for the hours worked up to 40 in compliance with applicable wage and hour laws. If the total worked for the workweek is 40 hours or less, "Other" comp time will be accrued to comp time earned. Statutory comp time comes into play only when employees work more than 40 hours in a workweek.
- 7-6.4 Officers in charge of Departments shall have absolute authority to determine the time period when Employees will be allowed to take their Compensatory Time Off so as to minimize interference with the routine operation of the various Offices and Departments. The final approval of Compensatory Time Off periods will be left to the discretion of the various Department Heads after the Employee has made the request and discussion has been held between the Employer and Employee.
- 7-6.5 For each hour that an Employee works beyond 40 hours in a single workweek, the Employee will be granted one- and one-half hours' time off as statutory comp time in compliance with applicable wage and hour law.
- 7-6.6 All existing accumulated comp time is paid to employees at the end of the fiscal year.

- 7-6.7 An employee may not be required to substitute compensatory time off for a leave of absence granted pursuant to the Family and Medical Leave Act (FMLA). Other leaves of absence require the exhaustion of any accumulated, unused compensatory time off.
- 7-6.8 Compensatory Time Off shall be deemed to be separate and distinct from vacations, but such Compensatory Time Off may be granted in addition to the vacation for which employees are eligible.
- 7-6.9 No Employee may be absent from their usual and customary duties for more than two (2) consecutive weeks, whether they are taking the accumulated Compensatory Time Off that has accrued to them, or any vacation for which they are eligible, without first obtaining the approval of the Officer who is responsible for supervising the Employee.

7-7 ELECTED OFFICERS

- 7-7.1 The provisions of Section 7-2 and 7-6 should be considered to be advisory only as to elected Officers.

7-8 FINAL PAYCHECK

- 7-8.1 Terminating Employees will be paid in a lump sum for accrued, unused vacation, compensatory time, and time worked beginning with the first day following the end of the previous pay period up through, and including, the final day of employment. Payment will be made at the employee's normal rate of pay, on the regular pay date.

CHAPTER EIGHT - BENEFITS

A Summary Plan Description (SPD), which explains coverage of many of the benefits in greater detail, may be available. The actual plan documents, which are available by making a written request to the Human Resource Office are the final authority in all matters relating to benefits described in this handbook or in the summary plan description and will govern in the event of any conflict. Additionally, the County reserves the right to change or eliminate any benefits at any time in accordance with applicable law.

8-1 HOLIDAYS

8-1.1 Official Holidays - Except as otherwise provided by statute, the annual holiday schedule for Livingston County shall be set by the Sheriff and approved by the County Board. The Chief Judge of the 11th Judicial Circuit shall consult with the Sheriff in an attempt to resolve any differences between the holiday schedule prescribed by the Illinois Supreme Court for judicial employees and the Circuit Clerk's office and the holiday schedule recommended by the Sheriff to the County Board.

i. In observance of those holidays hereinafter specified, all County Offices and Departments, as well as the Livingston County Courthouse, will be closed. In the event that any such holiday falls, or is observed on, either a Saturday or Sunday, the Livingston County Sheriff shall determine whether such holiday will be observed by the State of Illinois on either Friday or Monday. The various County Offices and Departments, as well as the Livingston County Courthouse, will be closed on the same day that such holiday is observed by the State of Illinois.

ii. The Holidays that will be observed by the closing of the County Offices and Departments, as well as the Livingston County Courthouse, shall be established by the Sheriff, with the consent of the County Board, prior to January 1st of each year.

8-1.2 Holiday Observance - Where an Employee is scheduled and required to work on a holiday, equivalent time off will be granted within a reasonable period at a time convenient to the Employee and consistent with the Department's operating needs.

8-1.3 Holiday During Vacation - A holiday falling during an Employee's regularly scheduled vacation period shall be counted as a holiday and not as a vacation day.

8-1.4 Eligibility for Holiday Pay - To be eligible for a paid holiday, the Employee shall work the last scheduled workday before the holiday and the first scheduled work day after the holiday, unless absence on either or both of these work days is for good cause and approved by the Officer. Employees working a holiday are eligible for equivalent time off or pay, consistent with the Department's operating policy.

8-1.5 Part-Time Employees - Part-time employees will receive holiday pay for those holidays on which they were regularly scheduled to work, in accordance with the above guidelines. Employees will be paid for the number of hours they were scheduled to work on that day.

8-2 VACATION LEAVE

8-2.1 Vacations are granted to Employees on an annual basis and are intended to provide Employees with an opportunity for rest and relaxation. Therefore, requests for compensation in lieu of vacation time will not be granted. Employees should submit requests for vacation time to their immediate supervisor as far in advance as possible. Upon termination of employment, employees will receive pay for all earned, unused vacation time.

8-2.2 Employees with zero (0) through seven (7) years of continuous employment from the Employee's employment date earns one vacation day per month and may be accrued not to exceed twenty-four (24) vacation days

8-2.3 Beginning the eighth (8th) year of continuous employment from the Employee's employment date, an Employee earns one and one-half (1 1/2) vacation days per month and may be accrued not to exceed thirty-six (36) vacation days.

8-2.4 Beginning the sixteenth (16) year of continuous employment from the Employee's employment date an Employee earns two (2) vacation days per month and may be accrued not to exceed forty-eight (48) vacation days.

8-2.5 To schedule vacation time off, employees must submit their request to their Officer. Requests are reviewed based on a number of factors, including operational needs and staffing requirements. No vacation may be taken prior to the successful completion of six (6) months continuous employment with the County without the approval of the Officer. Employees will be credited with paid vacation leave days during the period of time in which they receive compensation pursuant to the Illinois Workers' Compensation Act, and they are permitted to accumulate such paid vacation leave days during said period of time. Employees will not accumulate vacation time during unpaid leaves or during leaves covered by short- or long-term disability.

8-2.6 Part-time Employees who are regularly scheduled at least 16 hours per week are eligible for paid vacation time and will earn vacation time in proportion to the number of scheduled hours worked.

8-2.7 Vacation time is accrued each pay period. The annual accrual is divided by the number of days in the year to obtain a daily accrual. The daily accrual will then be multiplied by the number of days in the pay period to arrive at a pay period accrual. On December 31st of each year, the payroll department must accrue the vacation time to account for the remaining days in the year. The balance in each accrual as of December 31st of each year is then rolled to the following year as the beginning balance.

The annual accrual is based on years of service and scheduled number of hours per pay period. Employees scheduled to work less than 75 hours but greater than 32 hours per pay period will receive a pro-rated vacation leave accrual each pay period.

8-3 ILLINOIS PAID LEAVE FOR ALL WORKERS ACT (IPLAWA)

8-3.1 Purpose

Effective January 1, 2024, the Illinois Paid Leave for All Workers Act (IPLAWA) will grant most Illinois employees the right to earn up to 40 hours of paid leave annually, setting a minimum paid leave standard for all Illinois employers.

An employee may use their IPLAWA hours for any reason they wish up to the number of hours granted in accordance with the table in section 8.3-5.

The IPLAWA will take the place of Personal Days previously granted effective January 1, 2024.

8-3.2 Minimum Leave

Under the Act, covered employees, including full-time, part-time, and temporary employees, are entitled to earn up to 40 hours of paid leave in a 12-month period. Paid leave is earned at a rate of one hour of leave per 40 hours worked. Part-time employees who work less than 30 hours per week will receive paid leave on a pro rata basis.

8-3.3 Call in Procedure

For purposes of IPLAWA, employees are required to give their Department Officials or Supervisor at least 1-hour notice prior to the beginning of their shift.

8-3.4 Designation of 12-month period

Livingston County designates the 12-month period for purposes of the IPLAWA as Calendar Year.

8-3.5 Method of Compliance

Livingston County will elect to provide the employees who are scheduled for 30 or more hours per week with the minimum number of paid leave on the first day of the 12-month period. Employees who are scheduled for less than 30 hours per week will receive the number of paid leave hours according the following schedule:

Scheduled # of Hours per pay period	Scheduled # of hours Annually	Number of Sick Hours Accrued Annually	Number of IPLAWA hours annually
80 (12-hour days)	2080	104	40
80 (8-hour days)	2080	56	40
75	1950	50	40
70-74	1820	44	40
64-69	1664	36.80	40
60-63	1560	32	40
55-59	1430	31.20	36
50-54	1300	28	32
45-49	1170	24	30
40-44	1040	22	26
32-39	832	18.40	20
31 or Less	Varies	None	1 hour for every 40 hours worked in the calendar year

8-3.6 Accumulation & Carryover

Under the Act, an employer may make available the minimum number of hours of paid leave, subject to pro rata requirements provided by the table above, to the employee on the first day of employment or the first day of the 12-month period. Employers that provide the minimum number of hours of paid leave to an employee on the first day of employment or the first day of the 12-month period are not required to carryover paid leave from 12-month period to 12-month period.

Therefore, in accordance to the table in section 8.3-5, employees who are scheduled 32 hours or more per pay period, will receive the number of IPLAWA hours on the first day of the benefit plan year, which will be January 1st of each year. Any employee hired mid-year, will receive the number of IPLAWA hours on a pro rata basis for that year.

In addition, employees who work less than 32 hours per pay period or are classified as an 'as needed' employee will accrue one hour of paid leave for every 40 hours worked. These hours will be tracked and IPLAWA hours will be accrued in accordance with the Act.

8-3.7 Compensation

Employers that provide the minimum number of hours of paid leave to an employee on the first day of the 12-month benefit year may require employees to use all paid leave prior to the end of the benefit period or forfeit the unused paid leave. Therefore, employees who do not use their IPLAWA hours by December 31st of each year, will not be permitted to be compensated for these hours. In lieu of compensation, employees who do not use their IPLAWA hours by the end of the benefit plan year (December 31st) will roll those unused hours to their sick leave accumulation.

If an employee terminates for any reason, neither sick hours nor IPLAWA hours will be compensated at termination. If an employee retires, the IPLAWA unused hours and employee's unpaid unused sick hours will be reported to IMRF in accordance with Livingston County's sick leave policy in Section 8-4 of the Personnel Policy.

8-3.8 Collective Bargaining Agreements

Any employee who falls under a Collective Bargaining Agreement with Livingston County will adhere to the collective bargaining agreement regarding paid leave accumulation and compensation.

8-4 SICK LEAVE

8-4.1 The Board hereby declares its intention to assist Employees in minimizing the loss of income that often results when Employees are unable to perform any of their usual and customary duties due to urgent personal matters or emergencies. For the purposes of this policy, immediate family member is defined as the employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent. Use of sick leave to care for an immediate family member is limited to half of the employee's maximum annual sick leave accrual.

8-4.2 Employees earn sick leave in accordance with the table below:

Scheduled # of Hours per pay period	Scheduled # of hours Annually	Number of Sick Hours Accrued Annually	Number of IPLAWA hours annually
80 (12-hour days)	2080	104	40
80 (8-hour days)	2080	56	40
75	1950	50	40
70-74	1820	44	40
64-69	1664	36.80	40
60-63	1560	32	40
55-59	1430	31.20	36
50-54	1300	28	32
45-49	1170	24	30
40-44	1040	22	26
32-39	832	18.40	20
31 or Less	Varies	None	1 hour for every 40 hours worked in the calendar year

8-4.3 Sick time is accrued each pay period. Sick time is accrued based on the following calculation. The annual accrual is divided by the number of days in a year to obtain a daily accrual. The daily accrual will then be multiplied by the number of days in the pay period to arrive at a pay period accrual. On December 31st of each year, the payroll department must accrue the sick time to account for the remaining days in the year. The balance in each accrual as of December 31st of each year is then rolled to the following year as the beginning balance.

8-4.5 Upon retirement, up to 240 days accumulated (earned and unused) sick days will be credited to Illinois Municipal Retirement Fund (IMRF) benefits as per IMRF rules and regulations. The Employee will be compensated at their daily wage rate for unused accumulated sick leave days in excess of 240 days, up to a maximum of 120 days. This amount will be paid in one lump sum no later than 90 days from the retirement date.

8-4.6 Upon return, an employee may be required to submit a physician's statement indicating that the employee is fit to resume their duties.

8-4.7 If, as a consequence of a job-related injury, illness, or disability, an Employee will receive compensation pursuant to provisions of the Illinois Worker's Compensation Act. Employees may not use sick leave to supplement the difference between Workers' Compensation payments and the employee's regular pay. Employees will accrue paid sick leave and vacation days during the period of time in which they receive Workers' Compensation.

8-4.8 Accumulated paid sick leave days may not be converted into vacation days.

8-5 Family and Medical Leave Policy (FMLA)

8-5.1 Eligible employees may take up to 12 workweeks of unpaid FMLA leave in a 12-month period for specified family and medical reasons. The 12-month period is measured forward from the date an employee's first FMLA leave begins. Employees may take up to 26 weeks of military caregiver leave to care for a covered service member with a serious injury or illness, in accordance with this policy.

8-5.2 Eligibility - Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

8-5.3 Conditions Triggering Leave - FMLA leave may be taken for the following reasons:

- For incapacity due to pregnancy, prenatal medical care, or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care (leave must be taken during the 12-month period following the birth or placement, and must be taken in a single consecutive period and may not be taken intermittently or on a reduced schedule);
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job;
 - Any qualifying exigency.

Federal law specifies employee eligibility for leave and provides certain limitations and conditions. Spouses who both work for the County may only take a combined total of twelve (12) weeks for the birth or placement of a child. However, each employee may use the remainder of his/her individual FMLA leave for other allowable reasons.

8-5.4 Definition of Serious Health Condition

For the purposes of this policy, a serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or

incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

8-5.5 Military Family Leave

8-5.5.1 Qualifying Exigency Leave

Eligible employees may take up to 12 weeks of FMLA leave for certain qualifying exigencies arising out of the fact that a spouse, son, daughter, or parent of the employee is on covered active duty or call to active duty status. Qualifying exigencies may include short-notice deployment (up to 7 days of leave); attending certain military events; arranging for alternative childcare; addressing certain financial and legal arrangements; periods of rest and recuperation for the service member spend up to 15 calendar days with a military member; attending certain counseling sessions; attending post-deployment activities (available for up to 90 days after the termination of the covered service member's covered active duty status; other activities arising out of the service member's covered active duty or call to active duty and agreed upon by the Company and the employee.

8-5.5.2 Leave to Care for a Covered Service Member

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. A covered service member is also a veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness or who was a member of the Armed Forces (including the National Guard or reserves) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy.

For leave under this section, a "serious injury or illness" is defined as:

(1) For a member of the Armed Forces (including a member of the National Guard or Reserves), an injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or that existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating; or

(2) For a veteran who was a covered service member of the Armed Forces (including a member of the National Guard or Reserves), an injury or illness that was incurred by the member in line of duty on active duty in the Armed Forces (or that existed before the beginning of the member's active duty and was aggravated by service in line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

Spouses who both work for the company may only take a combined total of 26 weeks in a single 12-month period to care for a covered service member.

8-5.6 Calculation of FMLA Leave

Eligible employees may receive up to 12 workweeks of unpaid leave during the 12-month period measured forward from the date an employee's first FMLA leave begins. FMLA leave for the birth or placement of a child for adoption

or foster care must be concluded within 12 months of the birth or placement of the child.

8-5.7 Intermittent Leave

Eligible employees may take FMLA intermittently or on a reduced hour basis when medically necessary for the employee's own or immediate family member's serious health condition. Leave due to qualifying exigencies may also be taken on an intermittent basis. Intermittent leave is not permitted for birth of a child, to care for a newly born child, or for placement of a child for adoption or foster care.

Where an employee requests intermittent leave or leave on a reduced hours basis due to an immediate family member's or the employee's own serious health condition, the County has the option, in its sole discretion, to require the employee to transfer to a temporary alternative job (with equivalent pay and benefits) for which the employee is qualified and which better accommodates the intermittent leave or reduced hours leave than the employee's regular job.

Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the County's operations.

8-5.8 Use of Accrued Paid Leave

FMLA leave itself is unpaid. Employees must first use their available paid time off (vacation, sick leave, etc.) during the leave period. When an employee has taken all available accrued paid leave, any additional leave under this policy will be unpaid.

8-5.9 Requesting Leave and Designation of Leave

FMLA leave may be initiated by the employee or the County. To request FMLA leave employees must complete a Request for Leave form and submit it to Human Resources. In certain circumstances, the County may designate an absence as FMLA even if the employee did not request FMLA.

8-5.10 Notification by Employee

When the need for leave is foreseeable (such as the birth or placement of a child and certain medical treatments), the employee must notify the County at least 30 days in advance of the requested leave. When the need for leave is not foreseeable, the employee must give notice as soon as practicable (usually within 1-2 business days of learning of the need for leave). Failure to provide timely notification may result in delay or denial of leave.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Calling in "sick" is generally not sufficient. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified.

8-5.11 Certification

Employees may be required to provide a certification and periodic recertification from a health care provider supporting the need for leave. The employee must provide a copy of the certification in a timely manner (fifteen calendar days). All appropriate information must be provided on the certification; employees must provide additional required information when requested. Under certain circumstances, the County may require second or third medical opinions and periodic re-certifications. Employees may be required to provide a fitness-for-duty certification before returning to work. Failure to comply with these requirements may result in delay or denial of leave.

8-5.12 Benefits

Employees taking leave under this policy who participate in the County's group health plan may continue coverage under the plan on the same terms as if they had continued work, with the County paying its portion of the premiums and the employee paying their portion. Failure of the employee to pay their share of the health insurance premium may result in loss of coverage.

If an employee fails to return to work from FMLA leave, the County reserves the right to recover reimbursement for the employer-paid portion of benefits coverage, unless the employee fails to return due to the continuation, recurrence, or onset of a serious health condition or circumstances beyond their control.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave. Vacation and sick leave will not accrue during any unpaid portion of the FMLA leave.

8-5.13 Return to Work

Upon returning from FMLA leave, most employees must be restored to their original position or to an equivalent position with equivalent pay, benefits, and other employment terms. Job restoration may be denied if the employee qualifies as a "key employee" (generally the highest paid 10% of the County's workforce) and restoration would cause substantial and grievous economic injury to the County.

8-5.14 Limited Nature of This Policy

This policy is intended to provide only those leave benefits and protection required by FMLA and any applicable law.

8-6 Personal Leave of Absence

8-6.1 The County will consider requests for personal leaves of absence from employees who have at least twelve (12) months of continuous service. The County provides personal leaves of absence in certain circumstances for family emergency situations or highly unusual circumstances not covered by FMLA or other County leave policy.

8-6.2 At the discretion of the County, personal leave may be granted for a period of up to 12 weeks each calendar year or until appropriate benefit time has been exhausted whichever is greater. Employees must use accrued vacation, comp time, personal, and sick time (if the personal leave is for the employee's illness) during personal leave. Any remaining personal leave will be unpaid.

8-6.3 Employees must submit a request for leave of absence in writing to

their department official at least 30 days in advance, whenever the need for leave is foreseeable. If the need for leave is not foreseeable, employees must request leave as soon as practicable.

8-6.4 At the end of the month in which the employee exhausts vacation, comp time, personal, and sick time while taking leave under this policy, the employee will become responsible for the full costs of health insurance if they wish coverage to continue.

8-6.5 Benefit accruals, such as vacation and sick time, will be suspended during the unpaid portion of leave under this policy and will resume upon return to active employment.

8-6.6 Reasonable effort will be made to return the employee to the same position, if it is available, or to a similar available position for which the employee is qualified. However, approval of leave does not guarantee job reinstatement in all cases. The employee's present position may be filled or eliminated while on a personal leave of absence unless otherwise protected by law.

8-6.7 Employees who fail to return to work without notification upon the expiration of the leave of absence will be considered to have resigned as of the last day of the leave of absence.

8-6.8 Job reinstatement is not guaranteed with a Personal Leave of Absence. If the employee's job has been filled or eliminated, the employee may apply for other open positions with the County for which they are qualified. If no such position is available when the employee returns to work, the employee may be terminated from employment.

8-7 VICTIMS' ECONOMIC SECURITY AND SAFETY ACT

8-7.1 Statement of Policy - Eligible employees who are the victims of domestic violence, sexual violence, or gender violence or any other crime of violence or who have family or household members who are the victims of domestic violence, sexual violence, gender violence or any other crime of violence whose interests are not adverse to the employee may use unpaid victims' economic and security and safety leave for up to 12 weeks per 12-month period for any one or more of the following reasons:

- i. Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic violence, gender violence sexual violence, or any other crime of violence, to the employee or the employee's family or household member; or
- ii. Obtaining services from a victim services organization for the employee or the employee's family or household member; or
- iii. Obtaining psychological or other counseling for the employee or the employee's family or household member; or
- iv. Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the employee or the employee's family or household member from future domestic or sexual violence or ensuring economic security; or
- v. Seeking legal assistance or remedies to ensure the health and safety of the employee or the employee's family or household member, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.

8-7.2 DEFINITIONS -

i. "12-Month Period" - means a rolling 12-month period measured backward from the date leave is taken and continuous with each additional leave day taken.

ii. For purposes of this policy "Family or Household Member" - means a spouse or party to a civil union, parent, son, daughter, other person related by blood or by present or prior marriage, other person who shares a relationship through a child, or any other individual whose close association with the employee is the equivalent of a family relationship as determined by the employee and persons jointly residing in the same household.

8-7.3 Coverage and Eligibility - Both full and part-time employees are eligible to apply for this leave.

8-7.4 Intermittent or Reduced Leave - An employee may take leave intermittently (a few days or a few hours at a time) or on a reduced leave schedule.

8-7.5 Substitution of Paid Time Off/Family/Medical Leave -

i. An employee may elect to substitute accrued paid vacation, sick or personal time for any part of victims' economic security and safety leave. Such substitution will not extend the 12-week period.

ii. When the employee's need for leave also qualifies as family/medical leave pursuant to the Family and Medical Leave Act (FMLA), or for short-term or long-term disability, these leaves will run concurrently with leave taken pursuant to this policy.

8-7.6 Notice Requirement - An employee is required to give 48 hours' notice to the County in the event of foreseeable leave. In unexpected or unforeseeable situations, an employee should provide as much notice as is practicable, usually verbal notice within one or two business days of when the need for leave becomes known.

8-7.7 Certification - For leaves taken pursuant to this policy, the employee may be required to submit a certification demonstrating the need for the leave. The certification must be provided by the employee as soon as reasonably possible, but in most cases, within 15 days after requested.

The certification requirement may be satisfied by the submission of a sworn statement from the employee and one of the following:

i. Documentation from a victim services organization, attorney, clergy, or medical or other professional from whom the employee or the family/household member has sought assistance from in addressing domestic or sexual violence and/or its effects;

ii. A police or court record; or

iii. Other corroborating evidence.

All documentation related to the employee's need for leave pursuant to this policy will be held in strict confidence and will only be disclosed as required/permitted by law.

8-7.8 Effect on Benefits - During an approved VESSA leave, the County will maintain your health benefits, as if you continued to be actively employed. If paid leave is substituted for unpaid VESSA leave, the County will deduct

your portion of the health plan premium as a regular payroll deduction. If your leave is unpaid, you must pay your portion of the premium during the leave. Your group health care coverage may cease if your premium payment is more than 30 days late. If you do not return to work at the end of the leave period, you may be required to reimburse the County for the cost of the premiums paid by the County for maintaining coverage during your unpaid leave, unless you cannot return to work because of the continuation, recurrence, or onset of domestic or sexual violence or other circumstances beyond your control.

8-7.9 Job Protection - If you wish to return to work at the expiration of your leave, you are entitled to return to your same position or to an equivalent position with equal pay, benefits and other terms and conditions of employment. If you take leave because of your own medical condition, you are required to provide medical certification that you are fit to resume work. You may obtain Return to Work Medical Certification forms from your Officer. Employees failing to provide the Return to Work Medical Certification Form will not be permitted to resume work until it is provided.

8-7.10 Reasonable Accommodations - The County supports the Victims' Economic Security and Safety Act and will attempt to provide reasonable accommodations for people who are entitled to protection under this Act, unless such accommodations would present an undue hardship for the County.

Should you wish to request a reasonable accommodation pursuant to this policy, you should contact your supervisor or Human Resources.

8-8 FAMILY MILITARY LEAVE ACT

8-8.1 The County will grant eligible employees up to thirty (30) days of unpaid family military leave if their spouse or child is called to military service with the State or the United States for more than thirty (30) days. Family military leave must be taken during the time federal or state deployment orders are in effect.

8-8.2 To be eligible, the employee must have been employed for at least 12 months and have worked at least 1,250 hours during the 12-month period immediately preceding the request for family military leave. Employees may take family military leave only if they have exhausted all accrued vacation, personal, compensatory, and other leave, except sick and disability leave.

8-8.3 The request for leave must be made at least 14 days in advance if the leave consists of five (5) days or more consecutive workdays. If the leave will consist of less than five (5) days, the request must be made with as much advance notice as is practicable. Employees must provide certification from the proper military authority to verify their eligibility for the family military leave requested.

8-8.4 Employees that take family military leave may elect to continue health benefits at their own expense during the leave. Employees that take family military leave will be reinstated to the positions they held before commencing leave, or to a position with equivalent seniority, status, employee benefits, pay, and other terms and conditions of employment.

8-9 BEREAVEMENT

8-9.1 In the event of the death of an immediate family member, an Employee will be permitted to be absent from their job for an appropriate number of days up to 3 days with Officer approval, and for each such day's absence the Employee will receive compensation at their normal rate of pay. If the Employee desires to be absent for more than 3 days, they may utilize

previously earned, unused, vacation days, personal days or compensatory time and receive compensation for each such additional day's absence at their normal rate of pay, provided that their immediate supervisor approves such additional absence. For purposes of this policy only, immediate family member is the employee's spouse, domestic/civil union partners, child, sibling, parent, grandparent, or grandchild as related either biologically, through legal adoption, or through legal marriage (in-laws and step relatives). The County reserves the right to request proof of the need to take a leave pursuant to this policy.

8-9.2 Any absence to attend the funeral of anyone who is not a member of an Employee's immediate family may be arranged with the Officer in charge of supervising the Employee, without pay. Previously earned, and unused, vacation days, personal days or compensatory time may be utilized in such case with the consent of the Officer in charge of supervising the Employee.

8-9.3 No County Office or Department shall be closed due to the death of an Officer, Department Head, Employee or member of any Employee's immediate family, except during funeral hours, and then only with the consent of the Officer in charge of supervising the Department; there shall be no exceptions to this rule unless the consent of the County Board Chairman is obtained.

8-10 FAMILY BEREAVEMENT LEAVE

8-10.1 In the event of the death of any covered family member, employees are provided up to two weeks (10 days) of unpaid bereavement leave annually, to run concurrently with paid bereavement leave under this policy, when applicable. For the purposes of this provision, "any covered family member" is defined as the employee's child who is biological, adopted, foster, or stepchild, or a child of a person standing in loco parentis, spouse, domestic partner, sibling, parent, stepparent, mother-in-law, father-in-law, grandchild, or grandparent. To be eligible for family bereavement leave under this provision, the employee must have worked for the County for a total of at least 12 months, worked for the County at least 1,250 hours over the previous 12 months, and must work at a worksite where 50 or more employees are employed within 75 miles of the worksite. Under this provision, employees may take up to two workweeks of unpaid bereavement leave in a 12-month period to: (1) attend the funeral (or its alternative) of a covered family member; (2) make arrangements necessitated by the death of a covered family member; and (3) grieve the death of a covered family member; and (4) be absent due to a miscarriage, stillbirth, unsuccessful round of fertility treatment, failed adoption match, failed surrogacy agreement, or a diagnosis that negatively impacts pregnancy or fertility. If an employee suffers multiple losses, the employee may take up to a maximum of six weeks bereavement leave during a 12-month period. The employee must complete the leave within 60 days after the employee receives notice of the death of a covered family member or the occurrence of a qualifying event related to pregnancy, fertility, adoption, or surrogacy.

Employees must normally provide at least 48 hours' advance notice of their intent to take leave under this provision, unless it is not practicable, and provide reasonable documentation.

8-11 MILITARY LEAVE

8-11.1 Any Employee may take a LOA for active or reserve duty with a military unit of the United States or the State of Illinois in accordance with the Uniformed Services Employment and Reemployment Rights Act (USERRA) and applicable state law. Advance notice of military leave is required,

unless military necessity prevents such notice or it is otherwise impossible or unreasonable. Employees on military leave must apply for reinstatement in accordance with applicable laws. Contact Human Resources for more information or questions about military leave.

8-12 TRAINING LEAVE

8-12.1 The Officer may request Employee training on subject matter directly related to the Employee's job. The training may consist of a training seminar or conference of two (2) weeks duration or less or a course for college credit of up to three (3) semester hours. The Employee attending the training will receive their normal salary and reimbursement for expenses incurred and the County will pay the registration fee. Any study time resulting from this training should be completed during regular scheduled work hours.

8-12.2 Upon the Officer's recommendation, an absence to attend any training seminar or conference lasting more than two (2) weeks or a course for college credit of more than three (3) semester hours may be approved by Board Personnel Committee. The Board Personnel Committee will specify remuneration and terms of reimbursement, if any.

8-12.3 Any exceptions to this section shall be approved by the County Board Personnel Committee.

8-13 JURY/WITNESS DUTY

8-13.1 Any Employee who is called for jury duty will be excused from work for the days served. Employees who receive a summons must provide a copy of the summons to their supervisor as soon as possible. Employees must provide proof of service upon completion of the jury duty period, or as requested by the County. It is the employee's responsibility to keep their supervisor informed as to the expected amount of time required for jury duty. Employees are expected to come to work whenever the court schedule permits.

Employees are paid their normal rate of pay for each day of jury duty for which they would have worked. To receive normal pay, employees must complete the court's waiver voucher for jury duty pay. The mileage reimbursement will be paid to the Employee upon request at completion of jury duty.

8-13.2 Employees who are served a subpoena to appear for witness duty will be paid at their normal rate of pay during the time they are required to be away from work. The payment received for witness duty will be returned to the County; however, the Employee may retain the mileage reimbursement.

8-13.3 Department Heads are to maintain records of the days on which jury and witness duty is served by the Employee.

8-14 HEALTH AND TERM LIFE INSURANCE

8-14.1 The County provides group health and life coverage as it determines. The County Board shall determine annually the amount that it will contribute to a health insurance program on behalf of each Employee. Employee choice of health insurance program will not interfere with the Employee's group life benefit. If the cost of a group health insurance program is more than the County contribution, the Employee pays the additional amount through payroll deduction. If the Employee wishes to have dependent coverage, the Employee must assume the responsibility for dependent health insurance coverage through payroll deduction.

8-14.2 Health coverage is available for full time employees. For the purposes of health insurance coverage, full time is defined in accordance with the Affordable Care Act. Effective date of coverage is after continuous employment for 30 days, plus the first of the following month. Premiums are deducted one (1) month in advance for the following month's coverage.

8-14.3 Dental coverage is available for full time employees as defined in Section 8-12.2. Effective date of coverage is after continuous employment for 30 days, plus the first of the following month. Premiums are deducted one (1) month in advance for the following month's coverage.

8-14.4 Life insurance coverage is provided for Employees who are regularly scheduled to work 30 hours or more per week. Effective date of coverage is after continuous employment for 30 days, plus the first of the following month.

8-14.5 If there is no payroll check to be issued in an amount to cover insurance deductions, payment in an equal amount of the total deduction must be made to the Human Resources Department, no later than 30 days following the end of the month in which the deductions were not taken. Failure to make timely payment may cause loss of insurance coverage for the Employee and his or her dependents.

8-14.6 The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the County's health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; and a dependent child no longer meeting eligibility requirements.

8-14.7 Under COBRA, the employee or beneficiary pays the full cost of coverage at the County's group rates plus an administration fee. The County provides eligible employees with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the County's health insurance plan.

8-14.8 Employees who retire from the County on an IMRF pension or qualify for IMRF permanent disability may retain their health insurance coverage for any dependent(s) on the County group plan as long as the dependent(s) was enrolled in the plan at the time of the Employee's retirement, or at the time the Employee qualified for permanent disability, and meets the eligibility requirements of the plan. A dependent(s) may not be added after retirement or qualification for permanent disability. Retirees will reimburse the County for their premiums, or have it deducted from their IMRF pension check. The total health premium is the responsibility of the retired or disabled Employee.

8-15 ILLINOIS MUNICIPAL RETIRMENT FUND (IMRF)

8-15.1 The benefits of the Illinois Municipal Retirement Fund and eligibility for IMRF are determined by state law and not by the County. The benefits are subject to change without notice. Benefits include temporary and permanent disability payments, pension, and death benefits. For a detailed description of your benefits, visit www.imrf.org.

8-16 WORKERS' COMPENSATION POLICY

8-16.2 Limited or Light Duty Policy - The County may elect to make "limited or light duty" work available for Employees who have work related injuries if "limited or light duty" work is available, which is consistent with the Department's operating needs and if a physician gives an appropriate medical release.

8-17 ELECTED OFFICERS

8-17.1 The provisions of Sections 8-1 through 8-9 inclusive and 8-12 should be considered advisory only to elected Officers.

8-18 School Visitation Leave

8-18.1 The County provides parents and guardians having custody of schoolchildren from kindergarten through Grade 12 who have exhausted all paid time off (except sick and disability) unpaid time off to attend school conferences and activities of their child.

8-18.2 To be eligible for leave under this policy, employees must have been employed by the County for at least 6 months working at least half time. Employees must provide at least seven (7) days' advance notice of the need for leave under this policy whenever possible. Employees must provide at least 24 hours' notice in an emergency situation.

8-18.3 Employees may request up to 8 hours leave per school year under this policy. However, no more than 4 hours of school visitation leave may be taken in any one day. Upon return from leave, employees must provide documentation to Human Resources from the school verifying the date and time of the visit. Contact Human Resources for more information or questions about and requests for parental leave for school visits.

CHAPTER NINE - SALARY ADMINISTRATION GUIDELINES

9-1 DEFINITIONS

9-1.1 Job Description - A written set of criteria regarding the basic duties and responsibilities performed in a position and the minimum knowledge, skills, abilities, education, training, and experience required to perform the job. Position descriptions will be written and maintained by the Officer.

9-1.2 Authorized Position - A single job slot allocated to a County Department authorized by the appropriate County Board committee as full time or part time. Part-time positions are stated as a percentage of full-time, or average hours worked.

9-1.3 New Position - Creation of a new authorized position in a County Department which has been approved by the appropriate County Board Committee and County Board.

9-1.4 Transfer - The process of hiring or moving a current County Employee from one authorized position and job description to a new authorized position and/or job description within the County personnel system.

9-1.5 Reclassification/Position Re-Evaluation - The process of deleting an existing authorized position in a County Department and creating a new authorized position based upon an existing or new job description.

9-1.6 Maximum - The maximum salary is the highest salary paid for a particular position.

9-1.7 Minimum - The minimum salary is beginning salary for a particular position. All employees shall receive at least the minimum salary for a particular position.

9-1.8 Salary Range - A salary range is established based on the dollar value the County is willing to pay an experienced Employee for performing consistently competent work that fully meets all position requirements. The salary range represents the normally expected variation in individual performance.

9-1.9 Experienced - A candidate whose knowledge, skills, abilities, and education and experience substantially exceed the minimum requirements as stated in the appropriate position description.

9-1.10 Inexperienced - A candidate whose knowledge, skills, abilities; and education and experience meet the minimum requirements as stated in the appropriate position description.

9-1.11 Exempt/Non-Exempt Pay Practice Status - Fair Labor Standards Act (FLSA) guidelines will be followed.

9-2 SCHEDULE OF AUTHORIZED POSITIONS & SALARY RANGES

9-2.1 The Schedule of Authorized Positions reflects the quantity and position title of all full-time positions in every County Department as approved by the Livingston County Board. Temporary positions are controlled solely by a Department's line item in their appropriated budget. The County Board's appropriations for salaries to Department's budgets will only be made to positions approved for the Schedule of Authorized Positions. No full-time, part-time, or per diem Employee may be paid except through service in a position that is authorized by the Finance Committee.

9-3 HIRING

9-3.1 Beginning Pay - Unless otherwise authorized under these guidelines or recommended by the appropriate County Board Committee, a new or promoted Employee's beginning salary will be paid at the minimum salary for an approved authorized position.

9-3.2 The salary for the position will be set by using the salary grades plus the following guidelines:

- o When meeting minimum education and experience qualifications, the candidate will be started at the minimum salary.
- o If the candidate exceeds minimum requirements and has related and pertinent experience for the job and/or educational background

directly related to the job, the Department Official in concurrence with Human Resources may negotiate the starting salary up to midpoint of the salary range. The Department Official will decide whether the candidate's experience and/or educational background are pertinent to the job opening.

9-3.3 Eligibility for Pay Increase - Each employee becomes eligible to receive a raise in salary upon completion of one (1) full year of service with the County. Eligibility for raises in salary after the completion of the first full year of service will then occur at the beginning of each calendar year. Eligibility does not mean that a salary increase is automatic. Salary increase is based upon a variety of factors including the employee's performance and the County's budget. Employees who are transferred or promoted to another position must complete a secondary introductory period (one full year) before becoming eligible for a pay increase.

9-3.4 Equity Adjustment for Exempt Employees- An **equity increase** is an increase to the base salary that may be granted to an employee under certain circumstances, such as increased duties that do not warrant a reclassification or a significant salary lag to comparable internal positions or the local labor market. An equity increase may be granted under unusual circumstances and is typically based on a serious salary inequity. A salary inequity exists when an employee's salary is significantly below that of those in the same or similar management job positions with similar performance, experience, skills, knowledge, and assignments. Examples of situations which may indicate a salary inequity include:

1. The salary of a long-term employee is low relative to a new hire whose salary is highly market-driven.
2. There is significant salary compression between a supervisor and their employees.
3. Market factors influencing recruitment and retention.
4. When the difference is not explainable by differences in qualifications, type or length of service, the work itself, the value to the organization, performance/productivity, knowledge, skills, abilities, effort, and responsibility and/or market.

An equity adjustment will not exceed 25 percent of base pay including any other wage increases for the fiscal year. Equity adjustments must be approved by the Finance Committee.

Rehire

Former employees who left Livingston County in good standing may be rehired. The rehired employee will be considered a new employee from the date of reemployment unless the break in service is less than eight weeks in which case the employee will retain accumulated seniority. Length of service for the purposes of benefits is governed by the terms of each benefit plan.

Livingston County employees who have been laid off due to staff reduction may be rehired and resume previous benefits, salary, and seniority as long as they are rehired within six months of the layoff.

10-1 ACCIDENT REPORTING PROCEDURE

10-1.1 An on-the-job injury (no matter how minor) must be reported to the Officer or Supervisor immediately and be reported to Human Resources within 24 hours.

10-1.2 The provisions of this chapter are intended to facilitate the administration of insurance claims and are not intended to provide that the County will be liable for on-the-job injuries.

10-2 REPORTING UNSAFE WORKING CONDITIONS

10-2.1 Employees who become aware of unsafe working conditions must report those conditions to the Officer as soon as possible.

10-3 SMOKING POLICY

10-3.1 Smoking, including the use of e-cigarettes, is prohibited in all County buildings and within 15 feet of every entrance and exit. Smoking including the use of e-cigarettes is also prohibited in all County-owned vehicles.

10-4 DRUG FREE WORK PLACE

10-4.1 The County has a strong commitment to its employees to provide a safe and healthy work environment. The County expects all employees to report for work in a condition to perform their duties. The presence of drugs or alcohol on the job and the influence of these substances on employees during working hours are inconsistent with these objectives. The County's policy with respect to drugs and alcohol is as follows:

i. The illegal use, sale, or possession of narcotics, drugs or controlled substances; including, but not limited to, marijuana, cocaine, PCP, heroin, LSD, amphetamines, and barbiturates while on the job or on the County's property is a terminable offense. Any illegal substances will be turned over to the appropriate law enforcement agency and may result in criminal prosecution. The possession, distribution or use of alcoholic beverages by any County employee is prohibited during working hours or while on County property. Individuals found using alcohol will be subject to disciplinary action up to and including termination.

ii. Employees will not be permitted to work while under the influence of drugs or alcohol. Individuals who appear to be unfit for duty will be relieved from duty and may be requested to take a physical examination at a designated medical facility. Refusal to comply with a physical examination or failure to pass the examination may result in disciplinary action, up to and including termination.

iii. Off-the-job illegal drug and/or alcohol use which could adversely affect an employee's job performance or which could jeopardize the safety of other employees, the public, or the County's facilities, or where such usage adversely affects the public trust in the ability of the County to carry out its responsibilities, is also cause for disciplinary action, up to and including termination.

iv. The Institute of Human Resources, Pontiac, Illinois, provides a voluntary program to the citizens and employees of Livingston County regarding the abuse of drugs and alcohol. This program called

"Remedial Education" may be attended by the employee and appropriate referral for drug counseling will be made. Employees are encouraged to voluntarily seek help for alcohol or drug problems before becoming subject to discipline under this or other County policies. Employees who seek such assistance will be allowed to use accrued paid time off, placed on leaves of absence, where available, and otherwise accommodated as required by law. Such employees may be required to provide documentation that they are successfully following prescribed treatment and required to take and pass follow-up tests if they hold jobs that are safety sensitive, require driving, or if the employee has violated this policy previously.

v. Employees who wish to report drug and alcohol use in violation of this policy should contact a member of management. The County will treat such reports as confidentially as possible.

vi. Employees are required to notify a supervisor of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction.

The County has specific policies regulating the use, testing and disciplinary action of drug and alcoholic substances. That policy is made part of these Personnel Policies.

10-5 REASONABLE ACCOMMODATION

10-5.1 The County is committed to complying with applicable federal, state, and local laws governing reasonable accommodations of individuals, including but not limited to, the Americans with Disabilities Act (ADA). The County will endeavor to make a reasonable accommodation to applicants and employees who have requested such or for whom the County has notice may require an accommodation, without regard to any protected classifications, related to an individual's: (1) disability, meaning any physical, medical, mental, or psychological impairment, or history or record of such impairment; (2) sincerely held religious beliefs and practices; (3) needs as a victim of domestic violence, sex offenses, or stalking; (4) needs related to pregnancy, childbirth, or related medical conditions; and/or (5) any other reason required by applicable law, unless the accommodation would impose an undue hardship on the operation of County business.

10-5.2 A reasonable accommodation may be requested by any employee. Requests may be made verbally or in writing to their supervisor or Human Resources. If an individual who has requested an accommodation has not received an initial response within five (5) business days, the employee should contact the County Board Office.

10-5.3 After receiving a request for an accommodation or learning that an employee may require such an accommodation, the County will engage in an interactive dialogue with the employee. As part of the interactive dialogue, the County will communicate openly and in good faith in a timely manner to determine whether and how the County may be able to provide a reasonable accommodation. To the extent necessary and appropriate, the County will attempt to explore the existence and feasibility of alternative accommodations. The County is not required to provide the specific accommodation sought by the employee, provided the alternatives are reasonable and either meet the specific needs of the employee or specifically address the employee's limitations. As part of the interactive dialogue, the County reserves the right to request supporting documentation, to the maximum extent permitted by applicable law.

10-5.4 The County will not deny health insurance to an individual based on that person's diagnosis or disability. All persons with disabilities have equal access to health insurance coverage provided to all associates. Preexisting condition clauses and pre-existing condition exclusions included in insurance policies offered by the County will remain in effect.

10-5.5 The County will endeavor to keep all communications regarding requests for a reasonable accommodation and all circumstances surrounding the employee's underlying reason for such a request confidential. The County will not allow any form of retaliation against an employee who has requested an accommodation, for whom the County has notice may require an accommodation, or who otherwise engages in the interactive dialogue process.

PREGNANCY RIGHTS AND ACCOMMODATION POLICY

Employees affected by pregnancy and childbirth, or related conditions have the right to:

- Request a reasonable accommodation for their pregnancy, such as more frequent bathroom breaks, water intake, or rest breaks, assistance with manual work or assigned to light duty, a private space for expressing milk and breastfeeding, or time off to recover from their pregnancy;
- Reject an accommodation offered by the County for their pregnancy that they do not desire or request, nor will they be forced to take leave if another reasonable accommodation is available; and
- Continue working during their pregnancy if a reasonable accommodation is available that would allow them to continue performing their job.

The County will not deny employment opportunities or take adverse employment action against employees if such a decision is based on the County's need to make a reasonable accommodation. The County will not retaliate against employees who request an accommodation or otherwise exercise their rights under the Illinois Human Rights Act. The County will provide a reasonable accommodation to employees under this policy unless doing so would result in undue hardship to the County.

The Illinois Human Rights Act is enforced by the Illinois Department of Human Rights ("IDHR"). The charge process for violations of the law can be initiated by contacting the IDHR at any of the offices shown below or by completing the form at <https://www2.illinois.gov/DHR/Pages/default.aspx>.

RELIGIOUS ACCOMMODATION

The County recognizes and supports the religious diversity of its employees. As part of this commitment, the County will make good faith efforts to provide a reasonable accommodation of an employee's sincerely held religious beliefs, unless such an accommodation would create an undue hardship.

Employees who wish to observe certain religious holidays or other observances not included in the County's holiday schedule may request time off to observe the religious holiday. Time off should normally be requested at least two weeks in advance. Employees may use accrued vacation or they may take such time off as an unpaid, excused absence.

DIVERSITY

The County is committed to fostering and cultivating a culture of diversity. We strive to create an inclusive work environment. Our employees and the sum of our individual differences, life experiences, knowledge, inventiveness, innovation, expression, capabilities, and talents are our greatest assets. Our ability to understand and embrace diversity is critical to our long-term success as a County and as a corporate citizen in a global marketplace. Employees who believe they have been subjected to any kind of discrimination that conflicts with the County's policies or applicable law should contact their supervisor or Human Resources.

PAY TRANSPARENCY POLICY STATEMENT

The contractor will not terminate or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent

with the contractor's legal duty to furnish information. 41 CFR 60-1.35(c)

10-6 WORKPLACE VIOLENCE

10-6.1 The County is concerned about the increased violence in society, which has also filtered into many workplaces throughout the United States, and would like to take steps to help prevent incidents of violence from occurring in the workplace. In this connection, it is the policy of the County to expressly prohibit any acts or threats of violence by any employee or former employee against any other employee in or about the County's facilities or elsewhere at any time. The County will not condone any acts or threats of violence against the County's employees, clients or visitors on the County's premises at any time or while they are engaged in business with or on behalf of the County, on or off County premises.

10-6.2 In keeping with the spirit and intent of this policy, and to ensure that the County's objectives in this regard are attained, it is the commitment of the County:

- i. To provide a safe and healthy work environment.
- ii. To take prompt remedial action up to and including immediate termination, against any employee who engages in any threatening behavior or acts of violence or who uses any obscene, abusive, or threatening language or gestures.
- iii. To take appropriate action when dealing with former employees or visitors to the County's facilities who engage in such behavior. Such action may include notifying the police or other law enforcement personnel and prosecuting violators of this policy to the maximum extent of the law.
- iv. To prohibit employees, former employees, and visitors from bringing unauthorized firearms or other weapons onto County premises.
- v. To establish viable security measures to ensure that the County's facilities are safe and secure to the maximum extent possible and to properly handle access to County facilities by the public, off-duty employees, and former employees.

10-6.3 All employees are responsible for maintaining a workplace that is free from threatening behavior and violence. Accordingly, each employee has a duty to report any threat, instance of harassment or offensive conduct, or violent act observed or experienced at work. In addition, any employee who has a reason to believe that a violent act may be committed on the worksite or against an individual related to the business in any way, must promptly report that belief or suspicion to the employee's immediate supervisor or Officer. Retaliation against any employee who in good faith either makes a report or participates in an investigation under this policy is prohibited.

10-6.4 Any employee who displays a tendency to engage in violent, abusive, or threatening behavior, or who otherwise engages in behavior that the County, in its sole discretion, deems offensive or inappropriate will be subject to disciplinary action, up to and including termination.

10-6.5 Any employee who applies or obtains a protective or restraining order that lists County premises as being protected areas should inform the employee's Officer and Sheriff's Office. The County may require the employee to furnish it with a copy of the order.

Section 10-7 Concealed Weapons

In the interest of protecting the safety of employees and citizens of Livingston County and in recognition of the Illinois Firearm Concealed Carry Act (430 ILCS 66), the Livingston County Board adopts the following policy:

10-7.1 The word "employee" shall mean classifications including but not limited to, classified employees, unclassified employees, contractual employees, members of any boards or commissions approved by county officials or functioning on county property, volunteers working behalf of the county or any elected or appointed Livingston County Official. This definition shall not include law enforcement officials specifically authorized to carry a firearm or any other employee authorized by statute.

10-7.7 Livingston County will not defend or indemnify an employee who carries or discharges personal weapons on the job.

CHAPTER ELEVEN - GENERAL RULES AND PROCEDURES

11-3 DISCRIMINATION AND NON-HARASSMENT (Including Sexual Harassment)

11-3.1 In compliance with the Illinois Human Rights Act (ACT) and any other related federal or local law/ordinance, all employees have the right to be free from unlawful discrimination, harassment, or sexual harassment. This means the County may not treat individuals differently based on race, age, gender, pregnancy, disability, sexual orientation, or any other protected class named in the Act or any other related federal, state, or local law/ordinance. This applies to all employer actions including hiring, promotion, discipline, and termination.

The County is committed to providing a workplace free from all forms of unlawful intentional and unintentional discrimination and harassment of or against job applicants, contractors, interns, volunteers or employees by another employee, supervisor, vendor, customer or any third party. Discrimination or harassment of any kind based on actual or perceived sex or gender (including pregnancy, childbirth, and pregnancy-related conditions), gender identity or expression (including transgender status), race, color, creed, citizenship status, national origin, age, religion, physical or mental disability, handicap, sexual orientation, genetic information, protected military or veteran status, marital status, ancestry, or any legally protected characteristic is prohibited by the County and by applicable state and federal laws.

Any employee who engages in conduct in violation of this policy is subject to discipline up to and including termination.

11-3.2 Discrimination under this policy means treating an individual differently or denying or granting a benefit to an individual because of any actual or perceived protected characteristic as defined under federal, state, or local law/ordinance.

11-3.3 Harassment is defined in this policy as unwelcome verbal, visual, or physical conduct that denigrates or shows hostility or aversion towards an individual because of any actual or perceived protected characteristic or has the purpose or effect of unreasonably interfering with an individual's work performance or creates an intimidating, hostile, or offensive work environment.

Harassment can be verbal (including slurs, jokes, insults, epithets, gestures, or teasing), visual (including offensive posters, symbols, cartoons, drawings, computer displays, text messages, social media posts, or emails), or physical conduct (including physically threatening another or blocking someone's way). Such conduct violates this policy, even if it does not rise to the level of a violation of applicable federal, state, or

local laws. Employees are expected to always behave in a professional manner consistent with the intended purpose of this policy.

11-3.4 Sexual harassment is one type of unlawful discrimination and is prohibited. All employees must avoid offensive or inappropriate sexual behavior at work and are responsible for assuring that the workplace, including while on the County premises, while on County business, or while representing the County, is free from sexual harassment at all times. All employees must avoid any action or conduct which could be viewed as sexual harassment, including: (a) unwelcome or unsolicited sexual advances; (b) requests for sexual acts or favors, with or without accompanying promises, threats, or reciprocal favors or actions; (c) conversations regarding sexual activities; and (d) other verbal, visual, or physical conduct of a harassing or sexual nature made to another employee when:

- submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- submission to or rejection of such conduct or advances by an individual is used as the basis for employment decisions;
- such conduct has a purpose or effect of substantially interfering with an individual's work performance; or
- such conduct has the purpose or effect of creating an intimidating, hostile or offensive working environment.

Examples of conduct that violates this policy includes:

- Unwelcome flirtations, leering, whistling, touching, pinching, assault, blocking normal movement;
- Requests for sexual favors or demands for sexual favors in exchange for favorable treatment;
- Obscene or vulgar gestures, posters, or comments;
- Sexual jokes or comments about a person's body, sexual prowess or sexual deficiencies;

- Derogatory cartoons, posters, and drawings;
- Sexually-explicit e-mails, text messages, or voicemails;
- Uninvited touching of a sexual nature;
- Unwelcome sexually-related comments;
- Conversation about one's own or someone else's sex life;
- Conduct or comments consistently targeted at only one gender, even if the content is not sexual; and
- Teasing or other conduct directed toward a person because of the person's gender.

11-3.5 If you believe you have been subject to or witness to sexual or other unlawful harassment, report it immediately to your supervisor. If your supervisor is unavailable or you believe it would be inappropriate or uncomfortable to discuss it with them, you should immediately report it to your Department Head or Human Resources. Such conduct must be reported whether it occurs on or off County premises, during work hours or outside work hours, and whether committed by a County employee or by another person the employee encounters as part of employment by the County, such as a supplier or vendor. If you do not receive an initial response within five (5) business days after reporting any incident of what the employee perceives to be harassment, the employee should contact the County Board Office.

Any supervisor or manager who becomes aware of possible sexual or other unlawful harassment must immediately report such information to Human

Resources even if the employee has asked that no action be taken on the complaint or the information provided.

Employees can make good faith reports and complaints of sexual or other harassment without fear of reprisal or retaliation. Retaliation by any person against an employee making such a report or complaint or participating in a related investigation is strictly prohibited and any such retaliation subjects an employee to disciplinary action, up to and including termination.

Filing a malicious or intentionally untrue complaint is an abuse of this policy and will be treated as a violation.

All complaints of sexual or other harassment will be promptly and thoroughly investigated and corrective action will be taken where appropriate. To the extent practicable, the County endeavors to maintain confidentiality of complaints and related investigation.

Any employee who has engaged in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination.

11.3-6 Aside from the internal complaint process as described above, all employees have the right to file formal charges with the Illinois Department of Human Rights (IDHR) and/or the United States Equal Employment Opportunity Commission (EEOC). A charge with IDHR must be filed within 180 days of the incident of sexual harassment. A charge with EEOC must be filed within 300 days of the incident.

The charge process for violations of the law can be initiated by completing the form at www.illinois.gov/dhr or by contacting the IDHR at IDHR.Intake@illinois.gov, or either of these offices:

11-4 CREDIT CARD POLICY

11-4.1 Each department head must submit a current list of all credit cards issued to their department for approval by the Election, Rules and Legislation Committee on a yearly basis. The list should include, at a minimum, the name of the Credit Card Company, mailing address, expiration date and credit limit. This list is maintained in the County Clerk's Office.

11-4.5 No personal purchases are to be made with County credit cards. No phone or internet purchases are to be made without the department head's permission.

11-4.6 For all transactions made with a credit card, a receipt must be turned into the department head. No payment will be approved or made without a matching receipt.

11-5 TRAVEL

11-5.1 Mileage shall be paid to the Employee for their actual and necessary travel on County business as approved by the Officer, at the County Board approved rate pursuant to 1-17.

11-5.2 From time to time, it may be necessary for employees to drive their personal vehicle on county business. All employees using their personal vehicle for approved business travel for the county will be reimbursed for such use at the Internal Revenue Service standard mileage rate. This fee is intended to repay the employee for their expenses in operating the vehicle including cost of gas, oil, tires, maintenance and the cost of insurance.

Livingston County requires that all employees who drive personal vehicles on county business carry the required minimum amounts of liability protection and uninsured motorist coverage mandated by the State of Illinois. The purchase of comprehensive and collision insurance is at the discretion of the employee.

In the event of an accident while an employee is driving their personal vehicle on county business, the employee will need to turn any claims for damages into the employee's own insurance. Livingston County's automobile policy provides no coverage for an employee's personal vehicle.

11-6 NO SOLICITATION

11-6.1 In the interest of maintaining a proper business environment and preventing interference with work and inconvenience to others, employees may not distribute literature or printed materials of any kind, sell merchandise, solicit financial contributions, or solicit for any other cause during working time. Employees who are not on working time (e.g., those on lunch hour or breaks) may not solicit employees who are on working time for any cause or distribute literature or printed material of any kind in working areas at any time. Persons not employed by the County may not solicit or distribute literature in the workplace at any time for any purpose.

While some limited personal use is permitted, (to be determined in the sole discretion of the County) such use should only be during non-working time and should be in accordance with this policy. To ensure the proper use of communications systems and business equipment, the County may monitor the use of these systems and equipment from time to time.

11-7.3 Employees also are prohibited from using codes, accessing files, or retrieving any stored communication without prior clearance from an authorized County representative. No employee may use a pass code unknown to the County.

Employees who receive e-mails or other information on their computers which they believe violate this policy should immediately report this activity to their supervisor.

The County prohibits the use of its electronic communication systems in a manner that is unlawful or violates any County policy. Employees are prohibited from using County communications systems to transmit, receive, retrieve, or store any information or communication that is discriminatory, harassing, derogatory to any individual or group, obscene, sexually explicit or sexually suggestive, unlawful, or otherwise contrary to the County's policies or business interests.

Employees are prohibited from accessing without authorization or tampering with the security of any computer or network system. viii. Employees must be aware of the possibility that electronic messages that are believed to have been erased or deleted can frequently be retrieved by systems experts and can be used against an employee or the County. Therefore, employees should be cautious and use the systems only in the appropriate manner and consult with systems experts to guarantee that information to be deleted is truly eliminated from the system.

ix. Employees should exercise care so that no personal correspondence appears to be an official communication of the County. 11-8.3 Topics appropriate for discussion at these sessions generally include matters involving workplace efficiency, productivity, safety issues, and leadership and development opportunities. These meetings are not a forum for discussing grievances or labor disputes. These issues should be handled through the County's problem-solving procedure.

11-8.4 Employees selected will work with the management team to expand, enhance, and promote the County's Strategic Plan. Department Officials will work with the management team to build the Ambassador Committee. No employee will be coerced to attend any of these sessions or retaliated against for refusing to participate. Employees will be compensated at their normal rate of pay for the time spent participating in a session.

11-9 Dress and Personal Appearance Guidelines

11-9.1 Dress, grooming, and personal cleanliness standards ensure we project the proper image of the County and its employees. Employees are expected to present a clean, neat, and tasteful appearance during work hours and when representing the County. Employees must immediately notify their supervisor if any equipment, machines, tools, or vehicles appear to be damaged, defective, or in need of repair. Prompt reporting of damage, defects, and the need for repairs could prevent deterioration of equipment and possible injury to employees or others.

11-11.2 County property may not be removed or used for personal use unless authorized by the County. Employees must return all County property immediately upon request or upon termination of employment. The improper, careless, negligent, destructive, or unsafe use or operation of County

11-20.2 There may also be situations when there is a conflict or the potential for conflict because of the relationship between employees, even if there is no direct reporting relationship or authority involved. In that case, employees may be separated by reassignment or termination of employment.

This evaluation shall be sent to the County.

2). Employees shall be tested for drugs while performing a safety-sensitive function, just before performing a safety-sensitive function, just after performing a safety-sensitive function or at any time there is a reasonable suspicion to believe an employee is under the influence of a controlled substance.

3). In the event of a confirmed positive test result, at the employee's expense, the employee shall be given the opportunity to have the split sample tested by a different DHHS-certified laboratory within 72 hours of being informed of a positive result by the MRO. If an employee has not contacted the MRO within 72 hours, the employee may present to the MRO information documenting serious illness, injury, inability to contact the MRO, lack of actual notice of the verified positive test, or other unavoidable circumstances that prevented the employee from timely contacting the MRO. If the MRO concludes that there is a legitimate explanation for the employee's failure to contact the MRO within the 72 hours' time frame, the MRO shall direct that the analysis of then split sample be performed, if applicable.

4). An employee who successfully challenges a positive test result shall be reimbursed for expenses incurred in the re-testing of the split sample. Back wages will be restored for time missed from work during the process of challenging the test.

B. ALCOHOL TESTING

1). The County requires alcohol testing in accordance with 49 CFR Part 40. Two breath tests are required to determine if a person has a prohibited alcohol concentration. A screen test shall be conducted first. Any result less than 0.02 alcohol concentration is considered a negative test. If alcohol concentration is 0.02 or greater, a second or confirmation test must be conducted. An EBT device will be used to conduct the test. The alcohol test will be conducted by a trained Breath Alcohol Technician (BAT). Failure to provide an adequate amount of breath will cause the employee to be immediately referred for a medical evaluation to develop pertinent information regarding whether the employee's inability to provide the adequate amount of breath is genuine or constitutes a refusal to test. This medical evaluation shall be sent to the County.

2). Employees shall be tested for alcohol while performing a safety-sensitive function, just before performing a safety-sensitive function, just after performing a safety-sensitive function or at any time there is reasonable suspicion to believe an employee is under the influence of alcohol.

D. REASONABLE SUSPICION TESTING

- 1). When a Department supervisor has "reasonable suspicion" to believe that the employee is under the influence of controlled drugs or alcohol upon reporting to work, during the work day, or upon completion of his or her work activity for the day, the supervisor will require the employee to go to the County's designated collection site for a urine or breathe alcohol test.
- 2). Reasonable suspicion means suspicion based on specific personal observations that a supervisor can describe concerning the appearance, behavior, speech or breath odor of the employee, where odor is detected in addition to appearance, behavior, or speech. Suspicion is not reasonable, and thus not a basis for testing if it is based solely on the observations and reports of third parties. The grounds for reasonable suspicion must be determined by a supervisor or a member of the management staff.
- 3). When an employee is asked to submit to drug or alcohol testing the employee shall be informed of the reasons for the request to submit to testing. The employee shall be informed that refusal to submit to testing will constitute a presumption or a positive result for drug or alcohol abuse. The employee's refusal will be in writing.

3). An employee who is seriously injured and cannot provide a urine specimen or breath alcohol test at the time of the accident shall provide the necessary authorization for obtaining medical records and reports to determine whether controlled drugs or alcohol were present.

4). Employees are required to remain readily available for testing. Failure to be readily available or refusal to give a urine sample or breath alcohol test shall be deemed a positive test result.

5). The County shall provide employees with the necessary post-accident information, procedures, and instructions prior to the driver operating a commercial motor vehicle, so that employees will be able to comply with this requirement.

6). In lieu of administering a post-accident test, the County may substitute a breath or blood test for the use of alcohol and a urine test for the use of drugs conducted by Federal, State or local officials under separate authority.

G. RETURN TO DUTY TESTING
