NOTICE TO BIDDERS

Sealed proposals for the project described below will be received at the office of _____ **County Engineer**

Name of Office

1705 South Manlove Street, Pontiac, Illinois 61764 until 10:00 AM on 02/01/24

Address Time Date

1. Plans and proposal forms will be available in the office of

Livingston County Highway Department 1705 South Manlove Street, Pontiac, Illinois 61764
--

2. Prequalification
- If checked, the 2 low bidders must file within 24 hours after the letting an "Affidavit of Availability" (Form BC 57) in duplicate, showing all uncompleted contracts awarded to them and all low bids pending award for Federal, State, County, Municipal and private work. One original shall be filed with the Awarding Authority and one original with the IDOT District Office.
3. The Awarding Authority reserves the right to waive technicalities and to reject any or all proposals as provided in BLRS Special Provision for Bidding Requirements and Conditions for Material/Deliver and Install Proposals.
4. A proposal guaranty in the proper amount, as specified in the BLRS Special Provision for Bidding Requirements and Conditions for Material/Deliver and Install Proposals, will be required. See the attached Special Provisions for specific instructions for proposal guaranty for this proposal packet.
5. The successful bidder at the time of execution of the contract will be required to deposit a contract bond or proposal guaranty as provided for in the special provisions. Failure on the part of the contractor to deliver the material within the time specified or to do the work specified herein will be considered just cause to forfeit his surety as provided in Article 108.10 of the Standard Specifications.
6. Proposals shall be submitted on forms furnished by the Awarding Authority and shall be enclosed in an envelope endorsed "Material Proposal, Section 24-01000-00-GM".

1705 South Manlove Street	Pontiac	IL	61764

- If this bid is accepted within 45 days from the date of opening, the undersigned agrees to furnish or to deliver & install any or all of the materials, at the quoted unit prices, subject to the following:
- It is understood and agreed that the "Standard Specifications for Road and Bridge Construction", adopted 01/01/22 and the "Supplemental Specifications and Recurring Special Provisions", adopted 01/01/24, prepared by the Department of Transportation, shall govern insofar as they may be applied and insofar as they do not conflict with the special provision and supplemental specifications attached hereto.
 - It is understood that quantities listed are approximate only and that they may be increased or decrease as may be needed to properly complete the improvement within its present limits or extensions thereto, at the unit prices stated and that bids will be compared on the basis of total price bid for each group.
 - Delivery in total or partial shipments as ordered shall be made within the time specified in the special provisions or by the acceptance at the point and in the manner specified in the "Schedule of Prices". If delivery on the job site is specified, it shall mean any place or paces on the road designed by the awarding authority or its authorized representative.
 - The contractor and/or local public agency performing the actual material placement operations shall be responsible for providing work zone traffic control, unless otherwise specified in this proposal. Such devices shall meet the requirements of and be installed in accordance with applicable provisions of the "Illinois Manual on Uniform Traffic Control Devices" and any referenced Illinois Highway Standards.

Local Public Agency	County	Section Number
Amity Road District / FOB Quarry	Livingston	24-01000-00-GM

5. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price. A bid will be declared unacceptable if neither a unit price nor a total price is shown.
6. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and Conditions for Contract Proposals, will be required. The proposal guaranty as specified in the special provisions is attached.

If a bid bond is allowed or required, Department form BLR 12230 or a proposal guaranty check, complying with the specifications, made payable to: _____ Treasurer of Livingston County

The amount of the check is _____ (_____).

Attach Cashier's Check or Certified Check Here

In the event that one proposal guaranty check is intended to cover two or more bid proposals, the amount must be equal to the sum of the proposal guaranties which would be required for each individual bid proposal. If the proposal guaranty check is placed in another bid proposal, state below where it may be found.

The proposal guaranty check will be found in the bid proposal for: Section Number _____).

Discounts will be allowed for payment as follows: _____ calendar days _____ calendar days

Discounts will not be considered in determining the low bidder

The following Special Provisions supplement the "Standard Specifications for the Road and Bridge Construction", Adopted January 1, 2022, the latest edition of the "Manual on Uniform Traffic Control Devices for Streets and Highway", and the "Manual of Test Procedures of Materials" in effect on the date of invitation of bids, and the Supplemental Specification and Recurring Special Provisions indicated on the Check Sheet included here in which apply to and govern the construction of Section 24-01000-00-GM FOB Quarry, and in case of conflict with any part, or parts, of said Specifications, said Special Provisions shall take precedence and shall govern.

1. The work to be performed under this contract includes furnishing and delivering the materials loaded in trucks at the quarry.
2. Grade of Material: The surface material shall conform to Grade No. CA- 6 or CA-10 of the Standard Specifications adopted January 1, 2022.
3. Engineer: The Engineer shall be the County Engineer or his authorized representative. All materials shall be of a quality approved by the Engineer and his word shall be final in approving or rejecting any or all material.
4. It is understood and agreed that payments will be made on the basis of 100% of the total amount of material furnished every month. Each truckload of material shall be weighed to the nearest 100 pounds. Final payment shall be based on the total tons of material as determined by the Engineer.
5. The contract will be awarded on the basis of the cost of the material loaded in trucks plus the cost of the hauling. The cost of hauling the material will be based on the rate of **20¢** per ton per mile, as measured from the quarry to the center of the Township. The low combination of the cost of the material plus the cost of hauling will determine the successful bidder.
6. The Unit Price bid by the Contractor shall be his unit price per ton of Aggregate Surface Course, Type B, loaded in trucks at the pit or quarry. The Contractor shall indicate in his proposal the location where the materials will be loaded in the trucks.
7. The material shall have a plasticity index not to exceed 6% if crushed stone is to be furnished, and between 2% and 6% if gravel is furnished.
8. The proposal guaranty shall be a certified check or a bank cashier's check made payable to the **Treasurer of Livingston County**. The amount is to be calculated separately for each item listed in the "Material Proposal Schedule of Prices" that is bid.

9. The material called for in this proposal will be used for patching Motor Fuel Tax roads in Amity Road District during the fiscal year ending December 31, 2024. The successful bidder agrees to furnish the material during the entire year. No material listed in this proposal shall be furnished after December 31, 2024.

10. If at the time the aggregate is weighed, it contains more than seven (7) per cent of absorbed and free moisture by weight, a deduction for the amount of moisture in excess of this amount shall be made in determining the pay quantity, except that any water added for compaction shall not be included in the pay quantity.
