

Message from the Coroner

My name is Michael Renner, I am the Coroner of Livingston County, our office is located in the county seat of Pontiac with a population of approximately 36,000.

The essence of a Coroner's inquiry is a search for the truth. To provide an impartial Medicolegal investigation which helps to support and protect the public. Please be assured that my office and staff will do everything in our power to provide a professional response to any death scene in the county where our services are required.

We will always remember that your loved one was a very important part of your lives. We will treat them with the utmost care, respect and dignity that they deserve. We understand that this is a difficult time for everyone involved.

If the Coroner's office or myself can be of assistance in any manner please contact our office and we will be glad to assist you with any questions or concerns you may have.

Respectfully,

Michael E. Renner

Coroner of Livingston County
